ELVINGTON CHURCH OF ENGLAND PRIMARY SCHOOL

'Working Together, we can all achieve success'

End of Early Years Foundation Stage, Year One Phonic Screening Check, Key Stage One, and Key Stage Two Results 2013

This booklet is designed to inform parents about how our school is performing compared to schools nationally and within the City of York, the Local Authority.

Levels of Achievement

The National Curriculum sets standards of achievement in each subject for pupils aged 5 to 14. For most subjects, these standards range from Level 1 to 8. Pupils progress up the levels as they get older and learn more:

- most 7 year olds are expected to achieve Level 2
- most 11 year olds are expected to achieve Level 4
- most 14 year olds are expected to achieve Level 5 or 6

We are very proud to be celebrating the fantastic EYFS, Year 1, KS1 and KS2 results. These results reflect all the hard work by teachers, pupils and parents throughout their school life at Elvington. At school we are always striving for the very best achievement for all our pupils. Thank you for all your continual support at home, you are your child's prime educator.
