

## CLASS 4 SUMMER TERM NEWSLETTER

Welcome back to the start of our final term this year!  
We hope you have had a wonderful Easter break and  
are eager to go for our new topic...

### LIGHTS, CAMERA...ACTION!

**\*When and where did the film industry  
start and why?**

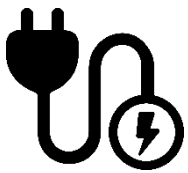

**\* What was it like when film and TV were  
first invented?**

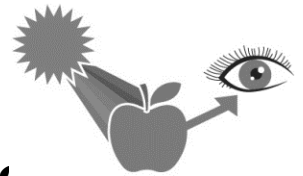

**\*How does light help us see and how are  
shadows created?**

**\* What is electricity and how does it power  
our appliances?**

**\* How can my photographs be works of  
art?**

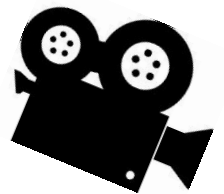

*We are currently planning a trip to the National Science  
and Media Museum in Bradford as well as visitors to  
come into school to truly bring this topic alive!*

**Our approach to teaching our topics means that  
children will develop skills across all curriculum areas.**

**In RE, children will consider the question "Why do some  
people think life is a journey?"**

**In Maths and English, children will continue to follow  
the National Curriculum programmes of study for their  
year group.**

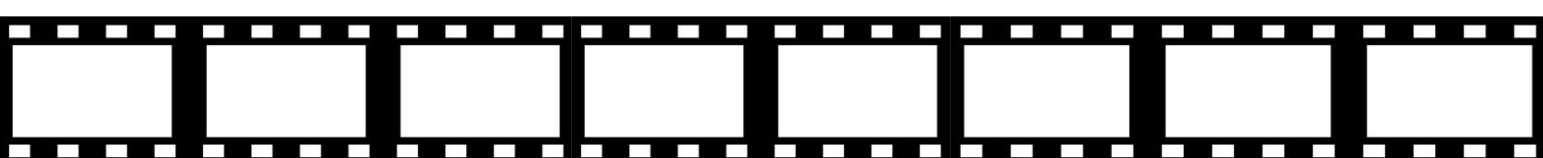

**In Class 4, we will focus on the play, 'Bugsy Malone' in  
Literacy.**

**Last but not least.... in the second half of summer term,  
we will be rehearsing and performing our end of year  
show.**

**Please see the school's weekly newsletter for key dates.**

## Homework

**Please listen to your child read for at least five minutes every day and record this in their planner. Reading aloud to an adult has huge benefits. For example, it opens discussion about the text and helps clarify vocabulary.**

**Maths homework will alternate between Mathletics tasks and more practical, investigative work from the Maths Jigsaw sheet.**

**Weekly times tables challenges will continue this term. Please see you child's planner for details each week.**

***Class 4 Plea?* If you, or a family member, are available to listen to readers on a regular basis, please let me know. Any additional support in class would be most appreciated.**

**In addition, if you have any specialist knowledge or experiences that you would be willing to share with the children to enhance their learning in this topic, please speak with Miss Richards or Mrs Cartledge.**

**My classroom door is always open and if there is anything that you would like to discuss, I am available before and after school each day, face to face, via email or at the end of a phone.**

**Thank you for your on-going support.**
