

Welcome back!

I hope you had a lovely Easter. Mrs Free, Mrs Haffey and I are looking forward to the term ahead with many exciting things planned.

## Lights, Camera, Action!

This is our topic for summer term. We will cover a range of key questions:

- Who was Shakespeare and what impact has his work had on our county both at that time and to this day?
- Where is Shakespeare from?
- What is a sonnet?

## Homework

Homework will continue to be the same as last term for Year 5 children. Year 6 children will receive weekly maths, SPAG and reading revision homework.

## Art/DT

We will create 3 D models of the globe theatre.

Using card, we will make photo frames of us as movie stars.

Shakespeare collages will be another of our projects.

## Science

### Light

We will learn about how we can see objects and use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them.

### Electricity

We will associate the brightness of a lamp and the volume of a buzzer with the number and voltage of cells used in the circuit. We will also use recognised symbols when representing a simple circuit in a diagram.

# Important dates

- Our PE days this term will be **Wednesday** and **Thursday**.
  - **Friday 20<sup>th</sup> April** Class 5 sharing assembly
  - **Friday 8<sup>th</sup> June** Class 5 sharing assembly
- **Wednesday 27<sup>th</sup> June- Friday 29<sup>th</sup> June** Northumberland
  - **Tuesday 10<sup>th</sup> July** KS2 play (6pm)
  - **Wednesday 11<sup>th</sup> July** KS2 play (2pm)
