

## Welcome to Year 6!

Mrs Challis and I hope you all had a lovely summer. This year, I have both the pleasure of teaching some children for a second year and the excitement of getting to know some children and their families better. A big welcome to Ffion, Max and Alex, who all join us from other schools. We hope to make you very welcome.

A few reminders:

Please can children ensure that they have a water bottle in school with them at all times.

Children are able to bring in their own pencil cases and equipment if they wish.

Year 6 are allowed to sit on benches in assembly, providing they are being good role models.

## What does Autumn term have in store for Class 5?

Our topic this term is...  
*World at War*

Which countries were involved in World War Two and how did their geographical region or political ideology involve them?

What was it like being a child in the war?

What was the short and long term impact of World War Two?

Who was Anne Frank?

What is propaganda?

## Science key questions:

What methods can we use to separate materials?

Which changes are reversible and which are irreversible?

What is air resistance?

How do some mechanisms change a force?

## Art/DT

Food technology – making a common recipe of the war era (rock buns)

Designing propaganda posters

Making a tank
