### Message from Miss Collier

Welcome back to the summer term. I hope you have all had a wonderful break and are now enjoying the buzz of Tour de Yorkshire in the village.

It has been another great start to the term, as children have been immersed in creativity. There has been an abundance of artwork in school to kick start topics and celebrate the Tour de Yorkshire. Displays in school already look revived with super pieces. My thanks to the support staff who have created wonderful displays throughout school.

Class 5 have been working on The Archbishop of York Young Leaders Award. This is a unique citizenship programme which empowers young people to make a difference in their local community whilst growing in key leadership skills at the same time. We have already thought carefully about leading change and have begun to undertake a number of successful activities to help within our local community. So far children have taken part in litter picking, dog walking, writing to elderly friends or family, reading to another family member, putting the recycling out and much more. I have been very impressed with the children's attitudes towards this project. The children will be telling you more detail about this work tomorrow in their sharing assembly at 2.50pm in the school hall. We hope to see you all there.

Wishing you all a fabulous bank holiday. See you on Tuesday.

Miss Collier

*Working together, we can all achieve success*

### Times Table Rockstars

Our school have been using Times Table Rockstars for a year now, we are so impressed with the impact it has had on the children's knowledge and speed. I am always checking who is using Times Table Rockstars at home and in school. I'd like to share with you this week our speediest Rockstars, who are answering questions in under 2 seconds!

#### Elvington's Speediest Rockstars

This half term, we will begin our "Battle of the Bands". Two different year groups will battle against each other for a week on rockstars. The winning year group will win a trophy and the most valuable players in each year group will win a certificate, which will be awarded in assembly.

We can't wait to get battling!!

Miss Palmer

### Race for life

This year instead of the Mini Marathon as our main fund raising event, we will be holding a Race for Life event in aid of Cancer research. We will be uniting with other schools across the UK to become an unstoppable force against cancer raising funds to help support this valuable charity. The event will be held on Friday 7<sup>th</sup> June. The event is held around the playground and back field in a pre-set up course and will begin at 2.00pm. Parents are welcome to come along and support this event. If you would like to sponsor your child you can do so by donating to Cancer Research UK, you can find our fundraising page [here](#).

### Message from Yorkshire Air Museum

Parents and children are welcome to the forthcoming event at the Yorkshire Air Museum on the 11<sup>th</sup> and 12<sup>th</sup> May.

Following the children's visit to Eden Camp last year, which focused on WWII, they might be interested to visit the museum to experience the real feel of the 'living' base in 1944. We will have over 100 re-enactors bringing our site to life during the weekend and a Hurricane flypast on the Saturday. Please note that admission is free to all Elvington residents.
