Message from Miss Collier

The Y6 children enjoyed a special treat to Pizza Express on Tuesday as a special end of term party. They each made their own pizza which they brought back to school for their lunch. Whilst the pizzas were cooking they learnt about the ingredients and where they came from. Many children have told me what a great morning they had. Very well deserved indeed.

EYFS were invited to the Elvington Under Fives teddy bears picnic on Wednesday. This was a wonderful opportunity for our pupils to meet some of our new starters in September. The children collaborated so well together, playing in the outdoor area as well as enjoying their picnic with new friends, not forgetting their teddy bears!

Huge congratulations to the whole of Key Stage for their amazing performances of Aladdin Trouble this week. We all loved each and every performance. Well done!

Today we have had a fabulous time at the beach!! What a special day it has been, the whole school together enjoying sun, sea and sand

Miss Collier

Working together, we can all achieve success

Archbishop Leader Award

As part of the Archbishop Leader Awards, the children of Year 2 need to work together as a team to raise some money for a charity. They would like to bake cookies to sell to other children at break time. It is suggested that they each make a dozen cookies at home. They can sell them to all the staff and children in school on **Monday 8th July** at a price of **30p each**. Please bring into Class 2 on the morning of the sale. The charity that they have chosen is the British Heart Foundation. We do hope that you will support their idea.

Summer Fair

Everyone had a super time at the Summer Fair, the sun came out, as did the people of Elvington. Many thanks to all those who generously donated over 60 bottles, numerous tombola prizes and various treats that were used to raise funds. A big thank you to all of you who worked hard to make it all happen, assisted on the day and attended the event. The PTA raised over £300, which will support trips and learning events and the teachers raised over £240 to spend on maths resources. The stall for IDAS, a specialist charitable organisation supporting people affected by domestic abuse, raised £40.71. To find out more about this organisation visit the [website](#).

Head Lice

We have again been made aware this week that some pupils have had to be treated for head lice recently. Please be vigilant and treat accordingly. The [Government Website](#) offers useful guidance on the characteristics, transmission and management of head lice (Pediculosis).

Polite Request

When parking in residential areas around the school, please turn off your car engine and be mindful of keeping driveways clear. Thank you.
