

## Class 1 Summer Term Home Learning Tasks Week 8

Weekly activities: Numberbots, phonic sound cards, tricky bit words and to look at and enjoy a range of books with family members...

In addition, please could children complete the following tasks. Please try to complete six tasks but if you would like to do them all, feel free to do so. Don't forget to take a photo and put it onto Tapestry or on our class twitter page. [@Class1Elves](#)

Don't forget to keep a look out for my story telling videos on Tapestry.

### Number: Number 18

#### Play Dough 18!

Using playdough make the number 18. Talk about its shape and that the number 1 is a like a straight line and the number 8 has curves. If you don't have any playdough you could enjoy making some as a family. The web link below shows how to make playdough at home.

<https://www.youtube.com/watch?v=oAlAm6BFOfs>

I now challenge you to practise forming the number eight. Watch the following video to help you with the correct way to form the number.

<https://www.youtube.com/watch?v=DzKqCmjVXLI>

### Number: Problem Solving and Sharing

Warm up – [Topmarks.co.uk](http://Topmarks.co.uk) - fair shares  
This is a game introducing the idea of sharing small amounts equally. You need to share the treats between the dogs so they have equal shares.

Challenge - How many different ways can you share 18 dough balls?

Host a party for some teddies or baby doll friends. Can you

### The World:

#### Make a Lava Lamp

#### You will need:

- An empty bottle
- Water
- Cooking oil or baby oil
- Food colouring
- Baking Powder

#### Instructions:

1. Fill the container with  $\frac{1}{4}$  water
2. Add the food colouring and stir
3. Fill the rest of the container with oil
4. Add baking powder, and watch your lava lamp erupt!

Observe and talk about what you see.

### Phonics Booklets

I have attached phase 2, 3 and 4 phonic phase learning packs. Please select a pack that is appropriately challenging for your child. Phase 2 is easier and Phase 4 is more challenging. I'm aware that this may involve lots of printing so don't feel you have to do the booklet. You could continue with phonic games on phonics play. (The booklets can be completed over the next few weeks so don't feel you need to complete every worksheet.

### The World:

Listen to the story **'What the Ladybird Heard'**

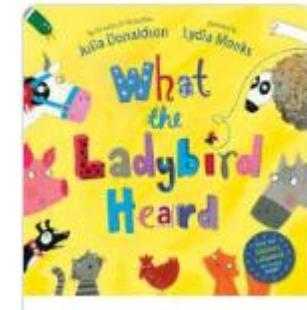

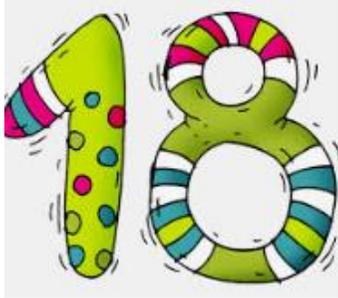

<https://www.youtube.com/watch?v=-gRfCIUKDuY>

Can you create a map like the one from the story?  
You could create a map of your house or garden too!

### Writing: Story ending

Talk about the story beginning and middle of **'What the Ladybird Heard.'** Now write the ending to the story.

share equal 18 dough ball between 2 teddies, 3 teddies and 5 teddies. What did you find out?

Can you recall some of the rhyming words in the story?

### SSM: Fairy House

What junk 3D shapes are hiding in your recycle bin!

On twitter Miss Rushmer has shared the arrival of fairies at Elvington School! If you havent already seen their home, check it out at [@ClassElves!](#)  
Using junk 3D shapes created your own fairy home and describe the shapes you have used.

Now watch:

<https://www.youtube.com/watch?v=24Uv8Cl5hvI>

### Being Imaginative:

Make a jam jar xylophone

Visit the BBC Bitesize website and watch the lesson. It is lots of fun but you will need to find some jar for this activity.

### Reading: Words

Listen to some of your favourite books at home. Play eye spy the word..... Your child will then look, find and read the word. You could add to the challenge by asking your child to do their own eye spy.
