### Maths- recapping angles.

**Monday** - Go on an angles hunt- what can you find and where?

Create a poster showing information all about angles.

**Tue-Fri** This week we will be recapping angles (not angels!). If you are working at home, you can access the video links for each lesson at: <https://whiterosemaths.com/homelearning/year-6/>

Please make sure you are accessing the lessons for **Summer Term Week One** (ignore the given dates, it is near the bottom of the page).

Have a go at the 'Flashback 4' questions before watching the short lesson. There are 4 different angles tasks to complete this week.

If you feel confident with shape and angles, you may want to try the consolidation pack.

There are also some tasks to try here: <https://www.bbc.co.uk/bitesize/topics/zb6tyrd>

# YEAR 6 Summer 2 Week 3

Dear Parents,

Here is an overview of tasks we'd like the children to be completing at home over the forthcoming week. We are committed to ensuring that your child is still learning as much as possible and endeavour to do our absolute best to keep this happening.

Warmest regards,  
Mrs Haffey, Mrs Marjoram and Mrs Bailey

### English

Finish writing your story that you began last week. Does it have a clear structure? Is there a moral or lesson to be learnt?

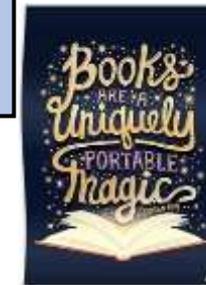

If you have used speech, have you used a new line for a new speaker? Complete the speech task then check your work.

There are also some writing opportunities in the island project pack.

Design your own circuits challenge. Try to beat your previous score/time each day.

### Art and Design

Create a piece of Jungle themed art. You might choose animals, plants, tropical flowers etc.. You might choose to paint, draw or even go digital!

### P.E:

Give a 'Just Dance' a try. Like this 'Ghostbusters' one!

<https://www.youtube.com/watch?v=RyglVc5Jvjg>

### Reading:

Read Holes Chapters 25-30

Have a go at answering the questions  
If you have finished writing your story you may like to write a newspaper article about Kate and Sam's incident. Write it from the perspective of the townsfolk at the time.

### Project: Your Very Own Island!

There are activities to complete for each day. (adapted from [www.twinkl.co.uk](http://www.twinkl.co.uk) for home learning)

### Science

Use Purple Mash to create a classification tree for either leaves, mini beasts or categories of animals/bird etc... Experiment with the different settings to change colours, add pictures and even add a voice over!  
<https://www.purplemash.com/#tab/pm-home/science> click on 'to question'. You can save it using your name and even share it.

There is a sharing tab on Purple Mash to add work to our notice board.

**Twitter:** Tag us in pictures of you learning from home! @Class5elves
