

# All About Me!

Miss Rushmer

Hello Year 1,

I am so excited to hear more about you and what you like to do, as you go into Year 1. Miss Rushmer likes to smile lots and I hope we can all do lots of smiling and learning together.

I love school and I really like to paint: my favourite colour is green. I have had lots of lovely pets but the pet we have now also loves the colours green, green lettuce, green cucumber and green beans. He is a tortoise called Speedy and he is very old. He actually doesn't move very quickly unless the sun is shining and he has eaten his greens. Miss Rushmer prefers a chocolate treat, but, then I love to go for a lovely long walk or run and enjoy seeing the wind go through the trees.
