

Welcome to Year 1 Hedgehogs!

Below is a grid of exciting tasks for you to complete before joining us in Year 1 in September. Once you complete the activities, we would love for you to share them with us on our twitter page @Class1Elves1 or on Tapestry

Portrait of you!

Let's get creative!

Draw a picture of what you look like. You could use pencils, paints, felt tips, collage or anything to decorate your image. **Include something in your portrait that is special to you!**

Get to know your teachers!

Ask an adult to read the attached sheet **"All about Miss Rushmer.** Check how much you know by answering the questions about the text.

Challenge- Find out more by thinking of two more questions you could ask me.

Get to know Me!

You will need the attached sheet, "All About Me". Draw a picture to represent the answers to each question and share them with me on twitter or tapestry.

My family pet

My favourite food

My favourite sport

My favourite thing at school

Now complete the All About Me sheet.

Make a wish or two...

What would you like to be able to do by the end of Year 1?

Write down 2 wishes on a piece of paper and decorate.

You could hide these somewhere and look back at them at the end of the year.

Our First Topic- Home Sweet Home!

During our topic, we will be finding out all about your lives and where you live. Draw a picture of your favourite room or create a 3D model of your home (you could use boxes). Share with us some facts about your home!

Bear Adventures!

Choose your favourite cuddly bear or create a bear. During the holidays, take your bear on special adventures. Take pictures or write a diary all about your bear's adventures.

We would love for you to share these adventures with us when you return to school in September.

What can you create with a dot?

Watch the following story:

<https://www.youtube.com/watch?v=t5mGeR4AQdM>

In Class 1, we like you to have lots of **perseverance**. That means you try and never give up! Draw a dot on a piece of paper. What can you create with just a dot?

Your dream classroom!

Draw a picture or create a 3D model of your dream classroom. What would you wish for in your classroom? A sandpit, a water tray, a pet (Guinea pigs, or a fish), or a writing table... Be as creative as you can!

Summer Holiday List!

Find a container that you can put things into (E.g. a tin or jar). Write on small pieces of paper exciting things you would like to do over the summer holidays. Fold them up and put them into the jar. At the end of the summer, see how many of the things you did!
