

## All about me!

Hi everyone, I hope you are all looking forward to returning to school soon. I am looking forward to meeting my new class and resuming your learning journey. I would like to tell you some information about myself that you may not know...

I have been teaching for a long time and have taught at several different York schools since I left York University. I have taught every year group and I am now very pleased to teach year three at Elvington. I really like teaching P.E, art and English. Class three are very lucky to have Mrs Grayson, who is our teaching assistant.

I love being outside so most of my hobbies are sporty or happen outside. I love gardening and have a big garden with a greenhouse. I grow lots of flowers and have a vegetable garden too. I am growing potatoes, strawberries, beetroot and onions in my garden. I also have a pond with frogs and newts.

I love animals and have a dog, cat and horse. I ride my horse (Reg) most days and like to compete in dressage. Every day, I walk Nelly my dog. She likes mud and getting dirty! My cat is called Mr Bo Jangles or BJ for short.

I hope you have a good summer and make the most of all the sunny weather.

I look forward to hearing about what you have all been up to when I see you.

### **Answer the following questions:**

1. Where did I go to university?
2. What subjects do I like to teach?
3. What do I grow in my garden?
4. What sport do I compete in?
5. What are my animals called?
6. Who is class three's teaching assistant?
7. What does my dog like to do when she goes on a walk?
