

Year 3 Transition Activities

Summer challenges

- Eat an ice cream or ice lolly
- Build a sandcastle
- Paddle in the sea
- Go for a bike ride
- Fly a kite or paper aeroplane
- Have a picnic
- Read a book outside
- Build a den
- Identify birds and flowers in your garden
- Go for a long walk
- Pick some fruit, vegetables or flowers.

Writing

Create a fact file about yourself.

Tell me about:

- What you like to do
- Your home and family
- Your pets
- Your favourite clothes
- Your hobbies
- Your favourite places to visit

Draw pictures to illustrate your work.

DT

Make a model of your bedroom. You could use junk or small world toys that you already have at home. You could write labels of the important things in your room. You could take a photo to share...

Books - I love books!

I love reading all kinds of books and always have a book by the side of my bed. What books do you like to read? Create a book list of your favourite books. You can bring a book of your own to school for ERIC time.

If you were an animal what would you be?

Draw or paint your animal and describe it.

Why would you be this animal? What would you like to be able to do as this animal?

All About Me

Read the attached document 'All about me' and answer the questions...

Art

Make an unusual self portrait of yourself! You could use fruit and vegetables, food or natural, objects from inside your house or materials you can find outside.

Wishes

What would you wish for next year?

Think of two wishes that you would wish for:

- Yourself
- Your family
- The world

Draw and write them down.

Summer Fun

When you are out and about try to find a post card and write it to the class. You could bring it in with you when you return to school and we can share them.
