BBC Bite size

**Holiday Fitness** Take on the August Fitness challenge.

### Maths

Can you solve the clues for Mrs Haffey's 'Figure me out' sheet?  
Create your own 'Figure Me Out' sheet to share with me.

### Art and Design

Create a self-portrait using any medium you wish.  
Design a border (frame) for your piece of art that reflects some of the things you like and enjoy.

# Transition Class 5

Hello to my awesome new class!! (and parents/carers),

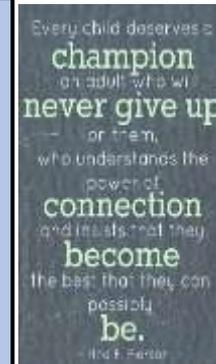

Here is a selection of activities for you to complete in readiness for your return to school. I would love for you to share some of this learning with me once complete.

I am really excited about the year ahead and will do all I can to make it a happy, fun and successful time for you all.

Have a lovely summer break.

Warmest regards,

Mrs Haffey and the Class 5 team

### P.E:

Give Mrs Haffey's Alphabet Challenge a try! Use names of sports to generate circuit ideas.

### Setting Goals:

Complete the 'My Personal Goals' booklet to discover how you learn best and set yourself some new goals for the year ahead.

Please share this with me once complete via the school office

[office@elvingtonprimary.org.uk](mailto:office@elvingtonprimary.org.uk)

### Book Review

Create a book review for a book you have enjoyed recently. You might wish to include your favourite characters, plot overview and a short summary along with information such as: Who is the book suitable for? What other books has the author written? What genre would the book fit in to? Etc...

You can use the template provided or be imaginative and present this in your own way. I would love you to share this on our twitter page. (see below)

### Holiday Activity Ideas:

- Create a bug hotel out of natural materials.
- Write a diary entry of your choice e.g.: 'A day in the life of an apple', or 'A day under the sea'.
- Create an advert for somewhere you visit or for your home!
- Create a collage with the theme of either 'home' or 'school'. You might choose to draw images or use technology to edit photos.

**Twitter:** Tag us in pictures of you learning from home! @Class5elves
