Tuesday 8th November 2016

Dear Parents

Key Stage 2 Visit to the Astro Campus, University of York

As part of our 'Reach for the Stars' topic, Key Stage 2 will be visiting the Astro Campus at the University of York on Thursday 1st December 2016. This fun-filled day includes live demonstrations to support our learning about space, a visit to the observatory and an inflatable planetarium called the Cosmodome, finishing with space craft building challenge!

On the day, please provide your child with a packed lunch and drink in a carrier bag, clearly labelled with their name. Please do not send fizzy drinks. As this visit takes place during school time, children need to wear their school uniform. They do not need to bring any money on the day of the trip.

We are kindly asking for a voluntary contribution of £3.50 per child to cover the cost of transport. There is no obligation to make a contribution and no child will be omitted from the visit because they do not pay or do not pay in full. However, the visit cannot go ahead if the school does not receive sufficient parental contributions.

On the day we will also need parent helpers, if you are available then please let your child's class teacher know. We are confident that this will be a very enjoyable and worthwhile school visit. Please can Payment and consent be made via ParentPay by Thursday 24th November.

Yours sincerely,

Miss Richards, Miss Hewson and Mr Craske
