

Welcome to Class Two

Hello, my name is Mrs Granger and I am really looking forward to teaching you. I love teaching art and P.E. I am really interested in animals and I am lucky enough to have two horses, a dog and a cat! I also love hearing about your pets and hobbies. My hobbies include horse riding, walking and gardening. Mrs Grayson will be working in my class every morning and some afternoons. So there will be a familiar face to help you settle in. Mrs Marjoram will be teaching you on Thursday afternoon when it is my P.P.A time.

Things you should know about Class Two.

I will expect you to have these things in school every day; your reading book and planner, a water bottle and your book bag (with your name clearly on the outside.) I really do prefer you to have your school book bag rather than a rucksack as I like you to have them in a book bag box in the classroom.

P.E.

P.E will be on Tuesday and Thursday afternoons but I would like you to have a full P.E kit in school all week.

Homework

I would like you to read your reading book every night and practise phonics. You will have phonic homework every Friday which I will expect you to hand in the following week. I will also send home maths ideas and activities for you to do.

Show and Tell

On Monday we usually have a 'show and tell' session where your child can talk about their news. They can bring things in to show but please no toys. In the past children bring in things they have made or photographs.

Morning Routines

I would like you to come in by yourself after the first week. Mrs Grayson and I will be in the classroom to help you get organised and settled.

I hope you enjoy being in class two. I am really excited to taking you on your next learning journey.
