Teaching and Learning Quotes

Play is the highest form of
research

Albert Einstein

Educating the mind without educating

the

heart is no education at all.

I facilitate thinking

I engage minds

I listen to questions

I encourage risk

I cultivate dreams

I learn every day

I teach!

While we try to teach

our children all about life,

our children teach us what

life is all about

Angela Schwindt

Good teachers are those who

know how little they know.

Bad teachers are those who

think they know more than

they don't know.

R.Vendi

Children have to be educated,
But they have also to be
left alone to educate themselves

Ernest Dimnet

The best classroom
and the richest cupboard
is roofed only by the sky

Show and Tell

Show and Tell

Show and Tell will be on Mondays. It is entirely optional! Some children like to bring a picture they have drawn or something they've written, if they don't happen to have an 'object' relating to the theme.

The Early Years Foundation Curriculum

- **The Characteristics of Effective Learning**

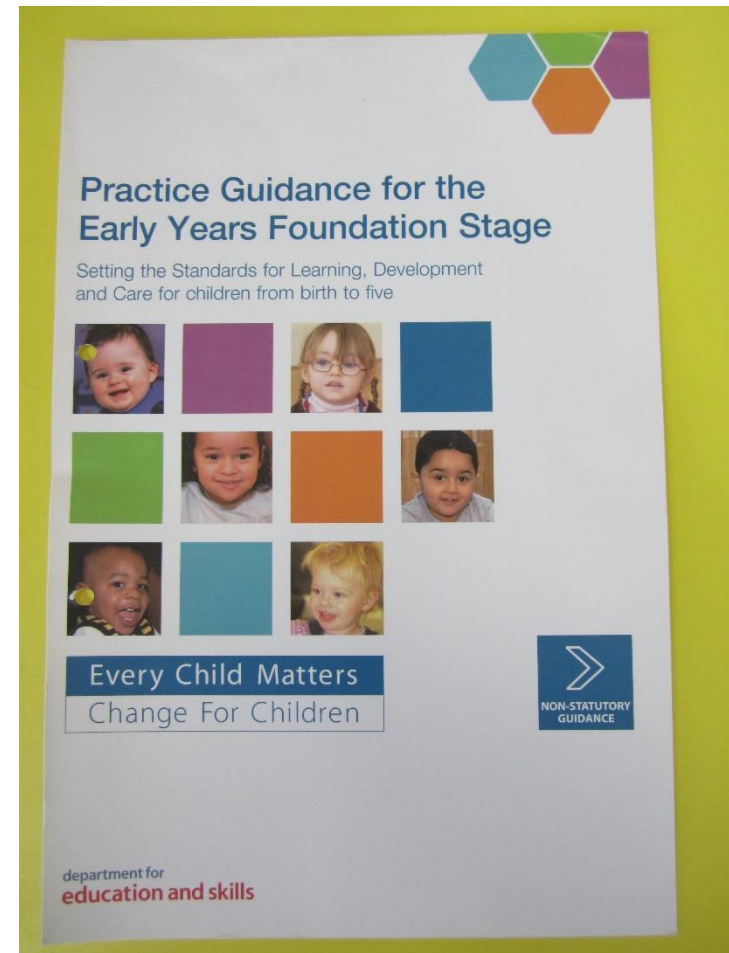

This looks at how a child engages with other people and their environment – playing and exploring, active learning, and creating and thinking critically

- **Prime Areas**

These areas begin to develop quickly in response to relationships and experiences. They include Personal, Social and Emotional Development, Communication and Language and Physical Development.

- **Specific Areas**

The specific areas include essential skills and knowledge. They include Literacy, Mathematics, Understanding the World and Expressive Arts and Design.

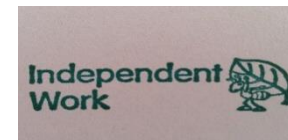

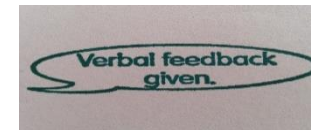

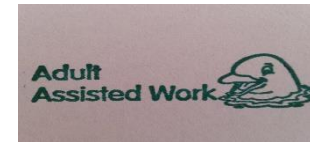

Key Stage 1 National Curriculum

- Two year cycle to ensure coverage of the National Curriculum
- Cross curricular approach
- Engaging and exciting!
- Visitors and trips linked to topics

Marking

How children learn in Reception

How children are taught in Year 1

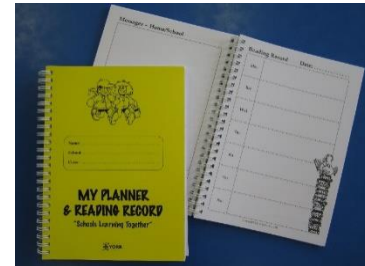

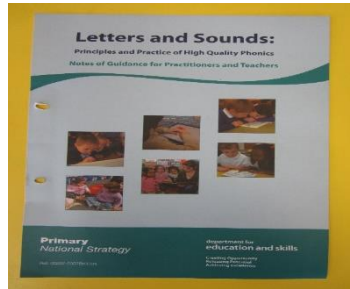

- Carpet activity
- Daily individual /group work

Assessment

- In Early Years we assess using ages and stages
- In Years 1, children do not sit statutory tests (SATs) therefore their work will be assessed by the class teacher.
- Judgements on your child's progress are based on a variety of assessment methods:
 - Observations
 - Independent work
 - Rising Stars tests
- In order for your child to be assessed as working at the expected standard for their year group, they must meet **all** objectives for that particular subject.
- We record their progress throughout the year as T/T+ (working towards the expected standard), E/E+ (working at the expected standard) or D/D+ (working at greater depth within the expected standard)
- We use assessment cards for Maths, Reading and Writing that cover all of the objectives from the National Curriculum to record your child's progress.

Reading, Handwriting and Spelling

Reading

- Phonics – phases 2 through to 4 or 5
- Alien Words
- Reading Schemes – make reference to books
- Phonics Screening Check
- Home/School Reading – tips, how much, recording
- Planners – how/when it is checked
what is recorded and why

Handwriting and Spellings

- Letter joins
- Spelling expectations - handout

What are dojos?

- Whole school behaviour policy that focuses on the positives!
- **Green dojos** give children points and are awarded for positive behaviour that reflects our school values.
- Individual dojos contribute to a whole class total. This total then equates to the number of minutes of golden time on a Friday afternoon.
- Green dojos accumulate throughout the week and are reset every Monday morning.
- **Red dojos** are sanctions. Children are given a reminder of the school rules before any red dojo is given. The first red dojo is given if a child then continues to display negative behaviour having already been reminded. If further red dojos are required, further sanctions follow: sitting out of class for 5 minutes, moving to another class for one session or going to Miss Collier.
- Red dojos are cleared at the end of the day so that children have a fresh start the following morning.
- Staff can track the number of red dojos children receive and can feed this back to parents *if* behaviour becomes a concern.
