

Class 1 Newsletter 2017

A big welcome back to all our families in class one. We hope you have all had a super time playing over the Christmas holiday. The class 1 team wish you all a very happy and healthy new year.

Our autumn term was amazing and we are so proud of all the children as they continue to grow as individuals. FS2 had the big challenge of building new relationships, adapting to many different routines and not forgetting the gradual induction of the 7 aspects of learning, Wow!

We are all now filled with excitement to begin our new term and go on safari!

Here are some of the exciting things to look forward to this term.

- Looking closely at birds and frogs to find out more about their life cycles.*
- Visiting Flamingo Land Zoo to learn more about animals and their needs.*
- Designing and making junk animals.*
