

Class One

Summer Newsletter

Welcome to the summer term. I hope that you all had a wonderful Easter break and ate lots of yummy Easter Eggs!

This term our topic will: Super Swimmers!

This term we will be learning...

- We will be looking at directions and making treasure maps.
- We plan to have a day out at the seaside.
- We will be finding out what can swim and about Captain Webb, the famous swimmer.
- We will also be looking at how our beach holidays have changed over time.
- We will be having a pirate week!
- We will test our own junk model boats to see if they float or sink!
- In computing, we will be continuing with E-safety and learning about algorithms.
- We will be investigating materials and making up simple experiments to test if they are waterproof.

Let's Get Creative!

In art, we will be learning about the artists Monet and Degas and their work. We will painting landscapes and using collage to create water lilies. We will also be using dye to tie dye flags for our Pirate Week.

P.E.

The summer term will bring us Sports Day and Sports Week! Let's hope it will bring us sunshine too so we can do lots of outdoor P.E. Please make sure that your child has trainers and a suitable outdoor kit.

Homework update

We will continue to send home a weekly phonics task for Year 1. Please continue to hear your child read as often as possible; it really does help with reading, writing and spelling. We are really grateful for your continued support in this.

Mathletics will be ongoing; we find this a really useful tool for supporting maths skills so please continue to support your child at home. In addition the practical maths home tasks will continue. We really enjoy seeing what you have all been up to!
