Message from Miss Collier

What an amazing end of term it has been. I have heard so many wonderful comments from both children and parents in relation to our school trips. The infants had a great day at Temple Newsam, and KS2 enjoyed their visit to Dig on Monday. Thank you to the PTA who have supported the cost of these trips and also to the parents for supporting us on these visits.

Today our governors have had the very hard job of judging the Easter egg competition. The entries this year were amazing. I have been so impressed with the time, thought and effort that has gone into each design. Very well done to everybody who took part.

I wish you all the very best wishes for the Easter break and look forward to welcoming you back to school on Monday 9th April for what will be another excellent term.

Best wishes,

Linda Collier

Working together, we can all achieve success.

Sickness in School

We have been advised that there is a case of **Chicken Pox** in school. If your child shows any symptoms, please ensure that you notify the office and that your child is kept at home for five days from the onset of the rash.

After School Clubs: Summer Term

A copy of next term's timetable for after school clubs was sent out via email yesterday. Once again, we are asking that you sign your child up for the club(s) of their choice using the link provided in this week's newsletter email. We would be grateful if you could ensure that one survey is completed per child. If you do **not** hear from us, please assume that your child has been allocated a place. If you have any questions regarding the clubs, please speak to Miss Shepherd.

School Library Books

We are pleased to announce that the school library is now up and running for children to borrow books. Each child will have an opportunity to choose a book to bring home with them during term time. We would ask that all books are returned at the end of every half term.
