Message from Miss Collier

Welcome back to the summer term. Despite the weather, I hope you have all enjoyed a wonderful break and enjoyed spending times with your friends and family. It sounds like you have all had a wonderful time.

It has been an amazing start to the term. On Monday the children in Class 1 and 2 took part in a dance workshop to begin their new topic 'Under Ground.' They worked with Jess Hardcastle, from @JazzHands to create movements based on the wiggly worms and other creatures that live underground. They learnt about how plants grow and what they need above and below the ground do so. Their performances were superb. The children had amazing ideas, huge amounts of creativity and carefully planned movements. It was a delight to watch them perform to their classmates.

We also had visitors from @animatedobjects. Class 3, 4 and 5 all took part in a stop-motion animation workshop as part of their new topic 'Lights, Camera, Action.' The children used model sets with puppets to take many different shots that will be combined to create a small feature film. We look forward to the finished product! Photos are on Twitter, please do take a look.

The Playleaders had a wonderful afternoon working with Chris from @skippingschools1. They worked incredibly hard for the full afternoon learning new skipping skills which they are going to share at break times, encouraging others to get active and join in. They were even brave enough to demonstrate their new skills to the whole school at the end of the day. Very well done.

I am sure by now many of you have seen our new thermoplastic playground markings. It has been a pleasure to see the children using these. The children have really enjoyed using them and it has certainly helped encourage them to be more active at playtimes. Giving children the tools to participate in physical activities is a great way to nurture crucial personal and social skills too. Sport has always been a great method of instilling lessons about teamwork, resilience and communication.

Finally, I must say a huge well done to the school football team who played St Mary's school this week. A great win! 4-3! I am thrilled to hear the team played with outstanding sportsmanship, respect of one another as well as their opposing team. This was commented on by the Headteacher at St. Mary's. Thank you for being exemplary ambassadors for the school. I am very proud of you all.

Please note tomorrow's sharing assembly will be led by **Class 1**.

With all best wishes for a great weekend and hopefully some warmer weather next week.

Miss Collier

Working together, we can all achieve success

Reminder: Northumberland Residential

A reminder to all parents of Year 5 and 6 children that the final payment for Northumberland was due by Monday 9th April. Please can all outstanding payments be made via Parentpay as soon as possible. If you have any questions please contact the office.

After School Clubs

There is still some availability for after school clubs. Please contact the office if your child is interested in a place. In particular, school has already received some great feedback on the Eco Club on Tuesday evenings.

Please be aware that there are currently no more places available in the KS2 Tennis Club.

School Library Books

We are pleased to announce that the school library is now up and running for children to borrow books. Each child will have an opportunity to choose a book to bring home with them during term time. We would ask that all books are returned at the end of every half term.
