A Message from Miss Richards

This week, we waved off our Year 5 and 6 pupils as they set off for their three day residential to Northumberland! This is a wonderful experience for the children who not only make wonderful memories of visiting the beach, museums and a boat trip, but also develop lots of other important skills too: independence, responsibility and cooperation, to mention a few. Please visit our Twitter page for updates and photographs of the trip: @pselvington.

At Elvington, we value learning outside of the classroom and work hard to plan these opportunities for all of our pupils. Still to come in the final weeks of the school year are the KS2 trip to Bradford Science and Media Museum and the KS1 and EYFS trip to Woodlands to experience outdoor learning. I am sure the children will enjoy these trips and make the most of learning in different environments.

Wishing you all a very sunny and happy weekend!

Miss Richards

On **Tuesday 3rd July, between 8:30am- 11:30am**, we are planning to give the science area a touch of TLC. If anybody is able to help us cut back and clean out this area, we would greatly appreciate your help and support. Bring your tools and get stuck in! Teas and coffees will be provided.
Thank you.

Calling All Helpers!

Sun Safety!

Whilst we are all enjoying the current beautiful weather, we want to keep our pupils safe. Please ensure that your child brings a water bottle and hat to school every day. We do have spare hats if children need them.

Unfortunately, we are unable to apply sun cream to our pupils. We ask that sun protection be applied before school, ideally a long lasting cream that will keep them safe throughout the day.

No Dance Club – 29.06.18

Please be aware that on **Friday 29th June** there will not be a dance club session. The club will run as normal on **Friday 6th July**. Apologies for any inconvenience caused.

Sports Week!

Next week in school it is Sports Week! Please ensure that your child has a full PE kit in school, including trainers.

Thank you to Mrs Grainger for organising a fun-filled week!

Skate Park – Thursday 5th July

Next week, as part of Sports Week, we will be having a skate park for the day on **Thursday 5th July**. This activity will be led by York City Knights Rugby Club and is suitable for children in Year 2 to Year 6. EYFS and Year 1 children will have their own separate activity on this day.

All children are welcome to bring their scooter to school on this day to use for their activity, along with their own helmet and protective pads if you have them. Please do not worry if you do not have these, as they will be provided. If your child does not have their own scooter, or is unable to bring it to school, then they will be provided by school and York City Knights.

KS2 Summer Production – Help Needed!

Calling all parents – we need your help! If you are able to support with the production of our KS2 performance of 'Alice the Musical', we are looking for help in the following areas:

- making props
- making backdrops
- make up/hair (for the dress rehearsal and three performances)
- costumes

A letter has been sent home with details of all characters' costumes. If you are able to help in any way - no matter how big or small - please speak to any KS2 teacher.

Many thanks for your ongoing support.

Summer Fair 2018

This year's summer fair will take place on **Friday 13th July**. On **Thursday 5th July**, there will be a non-uniform day and we ask that children donate either to the tombola stall or the bottle stall. Cake donations can be brought into school on the day on the fair.

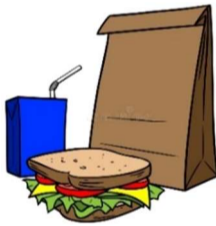

The PTA are looking for any parent helpers who are willing to help run the following stalls: cake stall, sweet stall, tombola and bottle stall. If you are able to help in any way, please speak to our PTA Chair, Lisa Smith or email elvingtonprimarypta@gmail.com.

There will be another PTA meeting on **Monday 9th July** at 3:15pm where we will plan the end of year school disco.

Many thanks for your support.

Summer Fair Enterprise Competition

This year for the summer fair, each class has been allocated £20 to help them with a mini enterprise activity. Each class has the task of producing something to sell at the school fair to try to make a profit. The class that makes the most profit will win a prize.
