

Class Two Newsletter

Autumn 2018

Welcome back to school after a lovely long summer holiday. I look forward to hearing about what you have all been doing. I hope you are well refreshed and ready to start work again!

This term our topic is **Goldilocks and the Three Bears**

Don't forget: Have your water bottle, reading book and planner in school every day. Don't worry we will show you where to put them in the classroom.

We will be...

- Looking at different types of weather and seasons.
- Using maps and atlases to find hot and cold areas of the world.
- Using information books and computers to find out about different types of bear and their habitats.
- In science we will be investigating material used for particular purposes, looking at the Three Bears' cottage and what it is made of.
- We will be finding out about being healthy and thinking about a healthy breakfast.
- We will be designing and making chairs.
- In design and technology, we will be making sandwiches for a teddy bears' picnic.
- Bring your teddy to school for our topic launch!

P.E.

Please remember to have a **full** P.E. kit in school including hair bands for those children with longer hair. This term we will be doing dance and games.

Show and Tell

'Show and Tell' will take place on Mondays. It is an opportunity for your child to share something that they have done at home. Children often bring in photos, pictures and mementos to talk about.

Mrs Marjoram and Mrs Young will be covering my class on Wednesday afternoons when I have my P.P.A time. They will be teaching science and dance.

	8:00 8:30	9:00-10:15 Session 1	10:15 10:30	10:30 10:45	10:45-12:00 Session 2	12:00 1:00	1:00 1:30	1:05-2:00 Session 3	2:00- 2:20 Session n 4	2:40-3- 15 Session 5

Homework update

The children will receive phonic homework on Thursday, please complete this by the following week. Please continue to hear your child read as often as possible; it really does help with reading, writing and spelling. I am grateful for your continued support in this. In addition, your child has passwords for Bug Club, Number Gym and Times Table Rock Star. We will also be sending home the practical maths homework book, please carry out the shared activities to help reinforce practical skills and understanding.

We hope you find this information useful; if you have any questions or concerns please do not hesitate to ask us in person or in writing in your child's planner,

Mrs Granger and Mrs Grayson.
