Message from Miss Collier

Your children may have already told you that this half term the children are learning about our school Christian value Respect. Teachers have been discussing this theme within their classrooms and I have heard and read some brilliant ways in which children have thought about how to show respect. Here are a few examples I am very proud to share with you.

I can show respect by showing our teachers the respect they deserve.

Emily, Class 4

I can show respect by looking after all my belongings and by eating all the food I am given.

Kate, Class 4

I can grow respect by being careful and being kind to other people. Respect is important because you are being polite and it's respectful to not be rude.

Hayleigh Class 4

I can show respect by looking after things that I get given. Respect is important because if you don't show someone respect they won't get it back.

Annie, Class 4

Respect doesn't grow on trees, you have to work for it.

Ollie, Class 5.

Never judge by looks. Judge by personality.

Holly, Class 5

Give it, to get it

Charis, Class 5

Respect others the way you want to be treated

Eryn, Class 5.

Respect is also one of our school rules. "We listen to others and respond the first time. We always treat others and property with care and respect." I am very pleased our pupils show respect towards one another, treating one another with kindness and equality. We hope they will value this for the rest of their lives.

Wishing you all a wonderful weekend.

Best wishes,

Miss Collier

Working together, we can all achieve success

Road Safety

We are very concerned to hear that a number of parents have parked on the yellow zig zag lines at the front of school. This is putting our children's safety at risk. Please can we remind parents to park safely on the roads around school. On Monday, Mrs Haffey will be leading an assembly on road safety. More information on this can be found at <https://www.itravellyork.info/journey-planning/going-to-school/journey-to-school-animation>

Many thanks for your support in keeping our children safe.

Flu Vaccination- Wednesday 10th October am

A letter has been sent out to parents of children in Reception to Y5 today detailing information about the Flu vaccination. Please note parents are required to respond online.

Harvest Church Service

Our Harvest Church Service will take place on **Friday 28th September at 2:30pm** at Elvington Holy Trinity Church. The service will aim to finish at 3:00 p.m. We would be delighted if you could join us; it is always great to see so many families there.

As always, your help in walking to the church is very welcome and much appreciated. If you are able to assist, please indicate on the slip sent home tomorrow. Please also indicate collection arrangements for your child(ren) and return to the class teacher by Wednesday 26th September. Please note we need separate slips for siblings to be returned to their class teacher. We will also be collecting donations for Carecent. If you are able to help donate any of the below items please send them into school on the day of the church service.

This year they need the following:

Tinned tomatoes

Tinned meat which can be served cold

Tinned hotdog sausages

Baked Beans

Breakfast Cereal

Porridge Oats

Canned fish

Brown Sauce

Tomato Ketchup

Instant Coffee

Sugar

Marmite/Peanut butter

Tinned fruit

Fruit juice

Parent Volunteers

Parent volunteers are really valued and welcomed into school. If you have any regular time during the week to help hear children read, test times tables, help with art activities, to cook or help with the library or a school trip please contact class teachers.

Pretty Muddy Race for Life 5k

We did it!

So far we have raised over £800! We are hoping to try and raise over £1000. Thank you so much for your generous donations. If you would still like to donate to Cancer Research UK, you can find our fundraising page here: <http://fundraise.cancerresearchuk.org/team/elvington-ce-primary>

Can you help Class 1 and 2? As Key Stage 1 and EYFS are doing a topic on Goldilocks and the Three Bears, we will be looking at homes. We would like to invite any parents who are builders, electricians, joiners, architects, plumbers to come in to class and talk about their job to the children. The children really enjoy listening and asking questions. We usually suggest a 15-20 minute slot. If you can help us we would be very grateful. Thank you Mrs Granger and Miss Rushmer.
