Message from Miss Collier and Mr Pigg.

As you are all aware, we have had an incredibly busy start to the second half term. The school has undergone three different external reviews in three weeks.

During this time, your children have made us feel very proud and we would like to thank them for their excellent behaviour and wonderful attitude to learning which they continue to demonstrate day in, day out. We are always very proud of the hard work and enthusiasm your children demonstrate.

A massive thank you to our Staff who continuously strive to ensure every child in the school receives the best education they can. The last few weeks has given us the opportunity to 'show off' the excellent work our staff do every single day.

Thank you to the board of Governors. We have an incredibly strong Governing body who continue to give up their own time to help support, challenge and further develop our school. They have been on hand an incredible amount in recent weeks and we really value their continued dedication.

Finally, we would like to thank you. Your support throughout the inspection was greatly appreciated. Thank you for all the well wishes and support we received before, during and after our visit. The inspector made special reference to some of the comments made during our closing review and your responses on Parentview were overwhelmingly positive. Thank you.

Of course, we will share with you the findings as soon as we can. In the meantime, we all look forward to the forthcoming weeks and the excitement towards Christmas.

Wishing you all a relaxing weekend,

Mr Pigg, Chair of Governors
Miss Collier, Headteacher

Working together, we can all achieve success

Support for Elvington Church

Please could you support Elvington Church at St Crux, York, on **Wednesday November 28th 2018** by;

- 1) Offering any toys or jigsaws in good condition for us to sell.
- 2) Baking a cake or two!
- 3) Coming along to enjoy coffee and cake or a soup and sandwich lunch.

Please contact Sue Shaw on 607092 or Julie Pigg on 608114.

Look forward to seeing you there!

Sickness.

Unfortunately, there seems to be some horrible bugs going around, in particular sickness and diarrhoea. You are most infectious from when the symptoms start until 2 days after they have passed. The NHS recommends children stay off school until they have been totally clear of symptoms for 2 days. Please visit their website for information and advice on how to treat the condition and avoid dehydration. <https://www.nhs.uk/conditions/diarrhoea-and-vomiting/>

Flu Vaccinations.

A 'catch up' session for all those children still needing a Flu Vaccination will be held at school on **Tuesday 4th December.** If your child missed the first session they will receive a consent form to be completed and returned to school by Friday 29th November should you wish for them to receive it.

Collection Arrangements.

If your child needs to be collected by another adult, please ensure that you inform the school before the end of the day. For safeguarding reasons, we cannot allow pupils to leave with other adults without permission to do so. Please put a signed note/ message in your child's planner so the teacher is made aware or alternatively get in touch with the school office. Thank you for your understanding.

Cake Stall.

Last Friday's cake stall by Class 5 was a huge success, raising the grand total of £70.30. Many thanks to those who baked bought and ate!

£132.70 was raised for this worthwhile cause by those that donated £1 to take part in the Children in Need PJ day.

Thank you for your support.

St Leonard's Hospice Carol Services.

The hospice invites people to dedicate a light in memory of a loved one in their annual Light up a Life appeal. The campaign allows people to make a donation to the Hospice to dedicate a light on all four of the St Leonard's Hospice Christmas trees. Each name will be recorded in the Books of Honour and the lights will shine until Twelfth Night. The trees will be illuminated at three very special Carol Services which you are warmly invited to attend. More details available; www.stleonardshospice.org.uk
