

Class One Newsletter - Spring 2019

Wishing you all a happy and healthy new year! We hope that you all had a magical family Christmas. We have really enjoyed hearing about all the wonderful fun the children have had over the festive season.

Learning in Class 1

- FS2 will enjoy looking at Elvington Village locations and Year 1 will look at maps and globes to locate different countries and continents around the world.
- The children in FS2 will enjoy talking about animals and looking at change. They will also plant seeds and talk about changes. Year 1 will find out about the famous scientist Jane Goodall and her work with animals.
- Year 1 will learn about Amy Johnson, the first famous pilot from Hull.
- We will all enjoy designing and making junk animals.
- Year 1 will look at how transport has changed over time and FS2 will look and talk about similarities and differences in transport.
- In R.E will learn how religious festivals are celebrated; Easter, Lent, Holi.
- We will also celebrate St George's Day.

P.E.

We will be fortunate to have a sports coach from York City Knights Rugby, developing our games skills. Please make sure your child has a full P.E. kit in school, as we will be working outside when we can.

To launch our topic we will be having a visit from the Purple Pig Company and their range of exotic animals. This will be on Thursday 10th January. Please come dressed as an animal on this day.

Homework update

We will be sending home a phonics task for both FS2 and Year 1. FS2 will also have their news journal to be completed over the weekend. Each Monday we will talk with the children about their adventures. Please continue to hear your child read daily, it really does help with reading, writing and spelling. In addition, in Year 1 Bug Club books will continue to be set each week and Times Table Rock will continue. FS2 will be introduced to Bug Club. More information to follow.

News Flash!

We will be making junk models of animals so boxes and interesting packaging will be gratefully received.

Mrs Marjoram and Mrs Young will be covering my class when I have my P.P.A time. Mrs Marjoram will be teaching science and Mrs Young will continue to teach dance and drama.

We hope you find this
information useful,

Miss Rushmer

We really value the support of parents.

If you have any spare time that you could come into school and listen to readers, this would be appreciated. The children really enjoy reading to other adults.

Many thanks for your continued support.
