

Class Three Spring Newsletter

Happy New Year! I hope that you have had a lovely Christmas holiday and are now ready for an exciting term together. I am looking forward to hearing all about your Christmas Holidays.

Every morning, we will be joined by Mrs Harvie in Class 3. On a Thursday afternoon, Mrs Marjoram will be teaching Class 3 Science.

Our topic this term is...

Go Green

- ❖ Why should we reuse, reduce and recycle?
- ❖ What can or cannot be recycled?
- ❖ Is litter a problem in our environment?
- ❖ Where does our food come from? How far does it travel?

We have planned lots of interesting activities for you around this topic. We are already planning many exciting trips and visitors... watch this space!

Science

In science, we will be continuing to investigate forces. In particular, how things move on different surfaces, investigating magnetism and grouping magnetic and non-magnetic objects.

PE

This term every Wednesday, we will be fortunate to have a sports coach teaching us ball skills. On a Tuesday, in PE we will be developing our Hockey skills. Please make sure your child has a full PE kit in school every day including hair bands for children with longer hair.
