

# Class 2 Summer Newsletter

Welcome to the summer term. I hope that you all had a lovely Easter and ate lots of delicious Easter Eggs! I hope you are all refreshed and ready to go into our final term with lots of energy. Miss Baker, our student teacher will continue her final placement with us.

This term our topic will be: **Super Swimmers!**

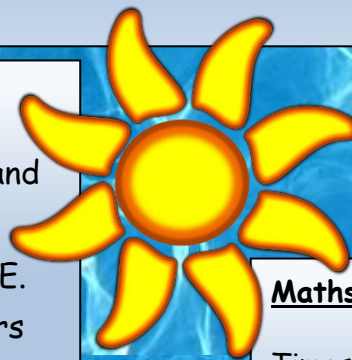

## This term we will be learning...

- We will be looking at compass directions and making maps.
- We plan to have a day out at the seaside.
- We will be finding out about Captain Webb, the famous swimmer.
- We will also be looking at how our beach holidays have changed over time.
- We will be having a Pirate Week!
- In computing, we will be continuing with E-safety and learning about algorithms.
- We will be making sandwiches with Phunky Foods for our Pirate Picnic.

## P.E.

The summer term will bring us Sports Day and Sports Week! Let's hope it will bring us sunshine too so we can do lots of outdoor P.E. Please make sure that your child has trainers and a suitable outdoor kit. Look out for special sporting events like the climbing wall and inflatable rugby. We will also be having cricket and tennis lessons.

## Maths Homework Tasks

Times Tables Rock will be ongoing; we find this a really useful tool for practising our times tables. In addition, the practical maths home tasks will continue. I really like to see what you have all been up to!

## Homework update

Alternate weeks, I will be sending home a phonics task and a comprehension exercise for Year 2 only. Year 1 will continue to have phonic homework. Please continue to hear your child read as often as possible; it really does help with reading, writing and spelling. I am grateful for your continued support in this.

## Art and D.T.

- In art, we will be learning about the artists Monet and Degas and their work. We will be painting landscapes and using collage to create water lilies. We will be using dye to tie dye flags for our Pirate Week. We will also be designing and making boats.

Mrs Marjoram and Mrs Young will be covering Class 2 on Wednesday afternoons when I have my P.P.A time. Mrs Young will be teaching dance/drama and SEAL. Mrs Marjoram will be teaching science.
