

Welcome back!

I hope you had a lovely Easter break. Miss Ricketts and I are extremely excited about this term as there are many fantastic activities planned!

What does this term have in store for Class 5?

Our topic this term is...
Art Attack!

- Explore a range of media to create various art projects.
- Study different artists and their work.
- Explore the chronology of different art movements and what influenced some of these periods of art.
- Use geography skills to locate both natural and man-made landmarks, including famous architecture.

Drama/ Music/ PE

Our PE days this term will be **Wednesday** and **Thursday**.

We have a sports coach delivering orienteering on a Wednesday.

(After May half term the Wednesday will change to Tuesday to accommodate a cricket coach.)

Mrs Young will be teaching drama and dance on Thursday afternoons.

Spanish

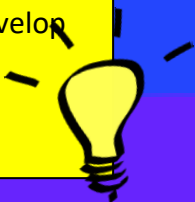

Our Spanish will focus on activities, hobbies and holidays. We will learn some beach-specific vocabulary prior to our trip!

Science key questions:

What differences are there in the life cycles of a mammal, an amphibian, an insect and a bird?

What is the life process of reproduction in some plants and animals?

What changes occur as humans develop throughout their lives?
