School Performance Data: 2019

We are celebrating! We are very proud to be able to share with you our end of key stage data for 2019. Our children have achieved wonderful results in all years. In recent years, Government changes have resulted in heightened expectations throughout all primary schools. Our staff have worked incredibly hard to quickly adapt to such changes and to ensure we always uphold the highest of expectations. As a result of continual hard work and relentless improvement, our children have achieved exceptionally well and we are very proud of the pupil outcomes this year. We are especially pleased to note, that our end of Key Stage Two data is amongst the highest attainment levels the school has ever known. We are very proud that such a high proportion of our children attain significantly above national levels, not only to attain the expected standard, but go beyond this to achieve greater depth. This represents many years of hard work and dedication from the beginning of Early Years to Year 6. Huge thanks to the children, parents and staff on an incredible set of results. We are extremely proud.
