

Welcome to a new school year. I hope that you all had a wonderful summer holiday. This term our topic will be superheroes!

# Class One Autumn Newsletter

This term we will be learning

- Who is a superhero in your family? Why are they superheroes?
- We hope to be meeting some real life heroes, police, nurses and firefighters. Please let us know if you are one of these amazing people; we would love to invite you into class to talk about your job.
- We will be looking at places on maps and making our very own.
- We will listen to traditional stories including the story 'Jack and the Beanstalk' and the hero Jack.
- We also plan to have a super hero day! Don't forget the costume.
- Do you know any heroes of the past? We will be finding out about Grace Darling and why she was a heroine of the sea!
- Can animals be superheroes? We will find out all about guide dogs.
- In our learning about the world and science, we will be learning about our super senses. We will also look at how fruit and vegetables help enhance our super powers!
- Do you know how to be a healthy hero? We will have fun exploring those good foods that gives us super energy.
- All activities will be enriched further with the ideas and suggestions of the children.

## Show and Tell

Show and Tell will take place on Mondays. This is when your child can bring in a toy to show and talk about with friends. It is a great opportunity for your child to develop their self-confidence and speaking skills. Here are the dates for the first half term.

These are the only confirmed dates your child will be allowed to bring a toy into school.

Date	Topic
16-09-19	Own Choice
23-09-19	Own Choice
30-09-19	Own Choice

## Let's Get Creative!

In art, we will be learning

- Painting our family and learning how to mix paint for different effects
- Vegetable printing
- We will be making junk model emergency vehicles.
- We will also be making healthy, hero fruit kababs.
- We are also going to make super hero puppets!

## *P.E.*

This term Year 1 will be receiving PE from Miss Palmer and the sports coaches at Premier Sports. They will develop their balls skills as they enjoy learning about the sport, football. Please ensure Year 1 children have a full P.E kit in school and that this is clearly labelled.

## *Homework*

We will send home a weekly phonics task for both EYFS and Year 1 children. This will be sent home each Friday and should be returned by the following Thursday.

Please hear your child read as often as possible, at least 5 minutes each evening; it really does help with reading, writing and spelling. We are grateful for your support in this.

In addition, Year 1 children will receive practical maths home tasks. The children will be able to select an activity each week to complete from a Maths Jigsaw Sheet. This work should be returned at the end of Autumn 1 (24.10.19). The children can then share their work with the children and class teacher.

### *Class 1 Helpers*

If you, or a family member, are available to hear readers on a regular basis, please let Miss Rushmer know. Any additional support in class is really appreciated.
