Summary and actions:

The survey was overwhelmingly supportive – but there are key themes which we recognise and are addressing:

Communication

- We have re-launched the weekly newsletter
- Mr Buttery has made his email address available - and welcomes the opportunity to speak

Curriculum

- We are redeveloping and broadening the curriculum - within this there will be a focus on personalisation and how we can support the individual progress of each child
- Volume of homework is always a balance - and we will continue to gain feedback and monitor

Behaviour

- A limited number of respondents raised this as an issue - we are reviewing our policies and procedures and will continue to seek your support in dealing with this critical issue
