#### Message from Mr Buttery.

Dear Parents/ Carers,

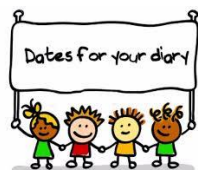

I would like to thank you for your generous support of our Australia themed non-uniform day.

As well as raising much needed funds (through non-uniform donations), the children experienced a range of mixed-age thematic workshops. The aforementioned lessons were cross-curricular and allowed the pupils to explore the key concepts of caring for God's Creation and the impact of a more volatile global climate. I was really proud to see our pupils showing such compassion and wanting to make a difference through their actions. As you can see from the photographs the children really enjoyed the various workshops which allowed them to further develop empathy and support for others.

Please look out for Parents Evening Letters coming home with your child on Friday 31<sup>st</sup> January.

Our Christian value for this half term.

#### Child Illness

Please observe the '48 hour rule' if your child experiences sickness and/ or diarrhoea. We appreciate that this is inconvenient in many cases, and you may not think your child is still ill, but they may still be infectious. Please appreciate that we do this in all cases and it should reduce the risk of infection for all children in school. Many thanks for your support in this matter.
