Message from Mr. Buttery

SIAMS Inspection

As parents and carers are aware our SIAMS (Statutory Inspection of Anglican and Methodist Schools) was carried out on Thursday 5th March 2020. I would like to thank the parents and carers who met with the inspector and sent supportive emails to the school; as always this is much appreciated.

The inspection was conducted by an external inspector (as rigorously as in an OFSTED inspection). They gathered evidence and conducted interviews, then considered their judgements against specific criteria, which will then be quality assured by the National Society. I will make you aware when the report is available; this will hopefully be prior to the Easter holidays...

Sport Relief – Friday 13th March 2020

Sport Relief 2020 is taking place tomorrow and we would like everyone at Elvington Church of England Primary School to participate by wearing their sports kit, for the entire day. We look forward to seeing children in their running, football, dance, tennis or other outfit. However, maybe save swimming costumes for a warmer day!

As part of the day, each class will also be completing a Sport Relief Mile with Mr. Buttery.

Suggested donations of £1 will go directly to Sport Relief; this will support life-changing projects in the UK and around the world.

The Rt Revd Glyn Webster (Bishop of Beverley)

I would like to make you aware that Bishop Glyn will be visiting our school on Friday.

Bishop Glyn served as Rural Dean of the Deanery of York for ten years. He was appointed as Canon Treasurer of York Minster in 2000, and appointed as Canon Chancellor in 2003. During vacancies, Glyn twice served as Acting Dean of York Minster.

It is our privilege to welcome Bishop Glyn to our school.

Mr. Buttery

Working together, we can all achieve success

Coronavirus

The Department for Education Coronavirus helpline is now available to answer questions about Corona relating to education and children's social care. Phone: 0800 046 8687 or email: DfE.coronavirushelpline@education.gov.uk.

We ask that parents encourage their children to wash their hands more frequently and for a minimum of 20 seconds. Prevent children from touching their face. Hands touch many surfaces and can pick up viruses, once contaminated hands can transfer the virus to the eyes, nose or mouth. From there, the virus can enter your body and can make you ill. If they have a fever, cough or difficulty breathing, seek medical care early. Follow the directions of your medical professional. We are receiving daily Government updates and are following their guidelines within school.

Cake Stall

To raise money for Maths resources, each class will be taking part in one cake stall throughout the year. **Friday 13th March** will be Class 3's stall. Please can children bring biscuits, tray bakes or cakes in to their classroom in the morning, ready to sell after Collective Worship on the given date. We hope the children will enjoy baking and/ or running the stall and the parents and carers will enjoy tasting them! The PTA will be serving teas and coffees for those attending the Collective Worship, money realised from drinks will go to the PTA. Where possible, please bring change. Many thanks.

Mums in School for lunch

In a change to usual events, Mums are invited to join their child/ren for lunch on Friday 20th March. The menu choice is Cheese Wrap or Fish with Chips, accompanied by Peas or Beans and choice from the Salad Bar with Chocolate Shortbread for pudding. Please note Jacket Potatoes will not be available on this day. Meals are £3.26 per adult, both bookable and payable on ParentPay. As the cook will have to order extra produce to cover this event, we must have our final numbers, electronically, by midnight Sunday 15th March. Unfortunately we will be unable to accommodate further numbers after this time.

Aftershokz 'Plogging' event.

One of our Mums, Claire, is running a 'Plogging Event' on **Tuesday 24th March** at 3.20pm. Plogging is a fitness trend which encourages people to stay in shape, while doing their own personal part to help the environment. The movement, which originated in Sweden in 2016, has since taken Europe by storm, spreading across the world as far as India and South Africa. Plogging isn't just good for the planet and mind it also gives your workouts an extra boost. When picking up litter you're adding squats and stretches to your run! Anyone can Plog, all you need to get started is your running gear, a bag for litter, and a pair of gloves to protect your hands. You can also stroll if running isn't for you. If you would like to join in and help the local environment, send a text 07557 371702 to book your free places (limited number of medals & goody bags available for participants). Please meet up after school at the Elvington Lane school gate. **Children must be accompanied by a responsible adult.** Please note that this is not a school event.

Week 1

www.elvingtonprimary.org.uk/parents-carers/school-meals-snacks

A huge thank you to Mr and Mrs Wedgewood who have sourced new treated wood, arranged delivery and worked tirelessly fixing the raised beds for the children. Their hard work will benefit the children of Elvington for many years to come.

Easter Egg Decorating

As usual, there will be an Easter egg decorating competition towards the end of this half term, however, this year we will doing things a little differently...

The children need to come up with an egg-cellent idea (sorry I couldn't resist) and bring all the materials they will need to decorate their **hardboiled egg/s** into school. In the interest of fairness, nothing should be prepared please.

Parents/carers are invited to come into school to look at the egg display from 3pm - at the end of the day all eggs should be taken home. The aforementioned is scheduled to take place on **Monday 30th March**.

Kings and Queens Dress up Day

In relation to this terms Key Stage 1 topic, **Tuesday 31st March** is Kings and Queens Day. Children in Class 1 and 2 may, should they wish, come dressed up. Participation in any dress up event is voluntary and children can attend in their school uniform as normal. A homemade crown could be a fun weekend activity!
