

Year 3 Week 4

Use; TTRock, Purple Mash, Twinkl, Lexia and Nessy (If you have a log in to these). All log ins are in your planner.

<p>P.E. Ball skills Use a football to practice: dribbling, stopping and starting with a ball. Make a course to dribble your ball around.</p> 	<p>Reading Find a poem that you could learn by heart. Perform your poem including intonation and expression. Record it. Use my video on Twitter to support this.</p>	<p>R.E How do Christians show their belief at home? Think about what items maybe important to Christians. Draw and label these. BBC Bitesize, KS2 RE has some nice photos</p> 
<p>History The Ancient Greeks What do you already know about the Ancient Greeks? What would you like to know? Make a mind map with thought bubbles and speech bubbles to show this.</p> 	<p>SPAG Make a list of verbs and use suffixes to change them. Write sentences to show you can use them correctly. Do ten. You could use these: happy, jaunty, frolick, appoint, throw, stick, cross, cut, plant, shine...or you could choose your own.</p>	<p>Science Light What do you already know about light? Make an information poster to show your knowledge. Do you know any facts?</p> 
<p>Art Use junk to make a model of a light house. You could also make a coastline for it to stand on.</p> 	<p>Maths Measures You should be able to read a scale accurately and convert it. Show you can do this by measuring in cms and then converting this to ms. Do the same with: ml, kg Go out into the garden and measure plants or garden equipment.</p> 	<p>Daily Maths Calculations Times and divide by: 10, 100, 1000. Remember a whole number can be written using a decimal point. Do this for 10 numbers. E.g $12 \times 10 = 120$ $12 \times 100 = 1200$ 12 can also be written as 12.0 which will be easier to divide by 10 (will be 1.2)</p>
