

Year 5

Weekly activities: Spellings, independent reading, times tables, Times Table Rock Stars, Lexia (for those of you who are signed up)

Get Reading!

- Have a go at the reading task 'FA Cup'. Try either *, ** or *** questions (remember that *** is the most challenging).
- Take a look at some of the bedtime stories we've recorded. Can you do one yourself perhaps for a younger sibling?

Check out the free reading games

<https://www.topmarks.co.uk/english-games/7-11-years/reading>

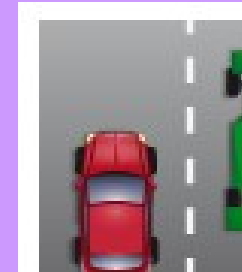

Get fluent in French!

- Look at the French conversations sheet. Can you write a French conversation between the characters?
(Use the Rachelhawkes.com languages website to help if needed.
Click on Primary Resources, Year 3 French, Autumn term and access 'Lesson 2 with audio'.)

Get Coding!

- Use the coding activity to complete the different challenges.
Purple Mash/ Computing/ 2Code/
Gibbon section - Vehicles 2

If you find this too tricky, try the Vehicles 1 task in the 'Chimp' section instead.

Get mathematical!

Check out these free maths activities/ games:

<https://home.oxfordowl.co.uk/kids-activities/fun-maths-games-and-activities/>

- Look at the Year 5 maths coordinates sheets. Pick *, ** or *** sheet (* is the easiest and *** is the hardest).
Remember, when plotting coordinates, go along the corridor first and then up or down the stairs.

Get active!

- If you have a skipping rope, have a go at improving your skipping. Basic forwards jump, backwards jump, one foot jump, crossing your skipping rope to create a loop.
- Go on a local bike ride with your family.

Get thinking!

- <http://www.crucial-crew.org.uk/>
Look at the above website. Choose a character and make decisions about their safety. Subjects include internet safety, water safety, electricity safety, fire safety and road safety.

<ul style="list-style-type: none"> • Can you measure some different objects in your house? E.g. the length of the coffee table. Can you write them in cm and mm e.g. 125cm (1250mm)? <p>OR if you made paper aeroplanes in the craft activity, you could fly them and measure the distance that they travelled.</p>		
<p style="text-align: center;"><u>Get crafting!</u></p> <ul style="list-style-type: none"> • Can you draw a spring flower? • Can you create different sized paper aeroplanes? • Can you find a mindful colouring page to print and colour? 	<p style="text-align: center;"><u>Get writing!</u></p> <p style="text-align: center;">Literacy - instructions</p> <ul style="list-style-type: none"> • Can you write a set of instructions about something creative? Examples: 'How to turn your teacher into a frog' 'How to train a dragon' 'How to create a flying potion' (Remember a title, introduction, ingredients or equipment, then a method) • Have a go at 'Year 5 SPAG task 2' (see attached). Pick either *, ** or *** challenge (The more stars, the harder it is). 	<p style="text-align: center;"><u>Get musical!</u></p> <ul style="list-style-type: none"> • Take a look at the Myleene Klass YouTube music class. <p>She is providing live lessons at 10am on weekdays or you can catch up on them in your own time. What can you learn from her? Can you find out about crotchets, quavers and minims? What is the difference between major and minor? Can you learn about dynamics?</p> <p style="text-align: center;">Youtube/myleenemusicklass</p>
