YEAR 6 Summer Week 4

Dear Class 5 and Parents,

Here is an overview of tasks we'd like the children
to be completing at home over the forthcoming
week. This week, I have included writing tasks
from Hamilton Trust and designed some related to
Room 13-the choice is yours but there are enough
for you to complete a writing task each week day.

Warmest regards,
Mrs Haffey, Mrs Marjoram and Mrs Bailey

Thank you for sharing some of your fantastic work
from last week. The VE day work was especially
thoughtful and I've loved seeing your work for
Room 13-you are doing so well with your home
learning and I am so proud of you all!

Science- Light

Task One Who invented the lightbulb? Be
creative in retelling the story. You could
draw it, create a song, write a story or
video yourself talking about it.

Task Two Take some photographs which
show/use light in different ways. How many
different effects can you make?

Art and Design

Plan and design your own school uniform
I have included a resource sheet if you
would like to use my template.

Topic-Ancient Greece

answer the questions.

(not mobile friendly)

Have a go at a chore
you've never tried!

Daily Reading!

Read Chapters 4-6 from Room 13.

Draw a large detailed picture of the Crow's
Nest hotel or your own hotel idea (I've gone
for Robinwood!). Then, add descriptive
vocabulary around it. Include expanded noun
phrases, interesting adjectives, the 5
senses and exciting synonyms. Remember it
is meant to be sinister and creepy!
