

Class 1 Summer Term Home Learning Tasks Week 9

Weekly activities: Numberbots, phonic sound cards, tricky bit words, select an [oxford owl](#) reading book and enjoy a range of books with family members...

In addition, please could children complete the following tasks. Please try to complete six tasks but if you would like to do them all, feel free to do so. Don't forget to take a photo and put it onto Tapestry or on our class twitter page. [@Class1Elves1](#)

Don't forget to keep a look out for my story telling videos on Tapestry.

Number: Number 20

Fishy numbers!

This week we are looking at the story, **Rainbow Fish**. Have fun painting small pebbles to represent the scales of a beautiful fish. Paint 20 and then try making them into a fish shape.

I now challenge you to write all your numbers from 1 to 20 using a wet paint brush. Do you think you can get all the way to 20 before the water starts to dry.

The World: The colours of a rainbow fish.

You will need:

- A clear plastic cup
- Sugar
- Water
- Food colouring

Now watch the attached clip and try to create your own rainbow in a cup.

Phonics I Spy

Enjoy playing I spy with these fun phonic learning sheets. I'm aware that this may involve lots of printing so don't feel you have to print the pages. You could just refer to them on the screen or continue with the phonic games on phonics play.

SSM - Length:

Lego Rainbow Ruler

Attach together 10 pieces of Lego and now go measuring.

What will you measure?
How long is it?
Is it longer or shorter than?

The World:

Become an interviewer and ask a family member what it was like when they were little.

Writing: Sentences

Listen to the story of, **The Rainbow Fish**
Answer how and why questions about the story.

Now try to create your own fishing rod and write a sentence about how you made it.

Don't forget to write down the length of your objects and remember to form your numbers carefully.

Enjoy sharing some photos together and then draw a picture to represent your findings.

Physical Development: Cosmic Yoga

Relax and enjoy some yoga moves inspired by the story, Rainbow Fish.

Being Imaginative:

Celery stamp rainbow fish!

Using a pencil create the outline of a fish. Ask an adult to cut a piece of celery into small parts and dip each part into a different coloured paint. Now create the scales on your fish.

Challenge
What is a repeating pattern?
Try and create one on your rainbow fish.

Well done for working hard this week, now it's time for some fun and to create your own mini sports day, at home! The aim is to complete one of the following activities each day this week.

1. Star jumps
2. Step ups
3. Bounce a ball
4. Jumping over a low object
5. Touch the ground and jump up

How many can you do in 30 seconds?
Can you beat Miss Rushmer?

Don't forget it is important to warm up before you begin your exercise. Try this 5 minute warm-up routine.

<https://www.youtube.com/watch?v=H1zuAsoGpI4>

Keep a look out on tapestry for Miss Rushmer's scores.
