

Year 4

Weekly activities: Spellings, independent reading, times tables, Times Table Rock Stars, Lexia (for those of you who are signed up)

Get Reading!

- Have a go at the Twinkl reading task 'Garden Birds'.

(Remember that * is the easiest and *** is the most difficult)

- Check out Oxford Owl for free eBooks.
https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/?view=image&query=&type=book&age_group=Age+9-11&level=&level_select=&book_type=&series=#

Get active!

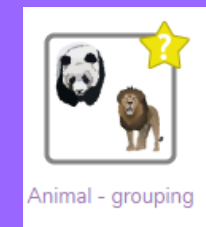

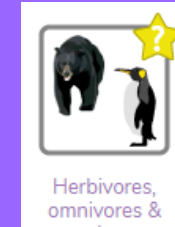

- Have a go at playing charades but with the theme of animals.
- Go on a walk and tally how many different animals you see eg 13 dogs, 6 cats, 2 rabbits, 1 pheasant. Perhaps you could record this information in a graph either by drawing one or using a graph tool on Purple Mash.

Get on Purple Mash

Purple Mash/ Home/ Topics/ Animals / Quizzes and games

Follow the above steps and have a go at the interactive grouping activities about herbivores, carnivores or omnivores.

Get mathematical!

- Have a look on Twitter or our website at the maths video I've filmed to help you to identify and order angles. Then have a go at the attached Y4 question sheet.
- Have a go at the Year 4 maths mat 3.

This week, Years 4 and 5 are in a times table Rock Star Battle - good luck!

Get improving your French

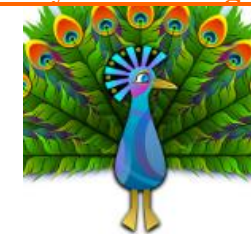

Here are some animal words in French. Can you draw and label them to create your own flashcards.

Un chien	A dog
Un chat	A cat
Un hamster	A hamster
Un lapin	A rabbit
Un cheval	A horse
Un mouton	A sheep
Une vache	A cow

Get historical

Use this website to find out more about the Ancient Greeks and their pets.

<https://www.historyforkids.net/greek-pets.html>

Get crafting!

- Can you pick animal of your choice and create a silhouette? Then, create a background of its markings:

- Have a look at the attached Y4 animal symmetry drawings. Half of the animal is there for you. Can you try to draw the other half?

Get writing!

Literacy - explanation

- Butterfly Education and Awareness Day (BEAD) is an annual event organised by the Association for Butterflies (AFD) to raise awareness about the importance of butterfly conservation. Held on the first Saturday in June every year, 2020 marks the 10 anniversary of BEAD, which will take place on 6th June. Can you write a detailed explanation to show the life cycle of a butterfly? You can use the template provided or design and write it in a format of your own choice if you wish.
- Have a go at 'Year 4 SPAG task 8' (see attached). Pick either *, ** or *** challenge (The more stars, the harder it is).

Get scientific!

- Create your own venn diagram (like in the purple mash activity) of herbivores and carnivores (omnivores would go in the middle section). Add in different animals to the ones that we saw on Purple Mash. You could do this on paper or using chalk outside.
- Also, if you missed it last week, check out Mrs Marjoram's science video on hand washing. It's really interesting!
