

## Class 1 Summer Term Home Learning Tasks Week 11

Weekly activities: Numberbots, phonic sound cards, tricky bit words, select an [oxford owl](#) reading book and enjoy a range of books with family members...

In addition, please could children complete the following tasks. Please try to complete six tasks but if you would like to do them all, feel free to do so. Don't forget to take a photo and put it onto Tapestry or on our class twitter page. [@Class1Elves1](#)

Don't forget to keep a look out for my story telling videos on Tapestry.

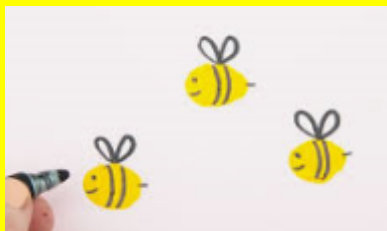

### Number:

Well Done!

You have now looked at all the number stories from 1-20.

Finger Print Bees!

Using your finger you are going to print bees using yellow paint. The aim is to print swarms of bees in either groups of 2's 5's or 10's. Now try counting your bees in groups. An example is 5, 10, 15.

Challenge:

Get a family member to challenge you with some problems solving questions.

How many are there in 2 groups of 2?

How many are there in 3 groups of 10?

**Remember you can't count each bee individually.**

### SSM - Sharing:

Honey Bee

Enjoy honey on toast for breakfast, spreading the honey and cutting the toast into equal parts. Recap the word half and talk about quarters.

### The World: Learn about the Bumble Bee

Click onto the bumble bee conservation trust and then the age group 4-6yrs, ([Learning Zone - Discovering Bees](#)). These activities are best completed as a family as the reading of the words will be challenging.

<https://www.bumblebeeconservation.org/learning-zone/>

### The World:

Make a jelly boat and enjoy it in the sunshine. Can you spot any bees whilst enjoying your yummy treat?

Observe the changes as you make your jelly boat and discuss.

### Phonics – Phase 4 word search

Enjoy finding some phase 4 words. I'm aware that this activity involves printing so don't feel you have to print the page. You could just refer to it on the screen.

Challenge:

Write down some phase 4 words and hide for your family to find.

### Writing: Sentences

Listen to the story of, [Bumble Bear](#)  
Answer how and why questions about the story.

Now write about what you have enjoyed most about your first year of school.

**Jelly Boats**

The recipe can be downloaded from the below web address.

<https://www.bbc.co.uk/cbeebies/makes/i-can-cook-jelly-boats>

<https://youtu.be/j5DVMNVG2Ms>

### Physical Development: Cosmic Yoga

Enzo the bee yoga activity

### Being Imaginative:

#### Egg Cartons at the ready.

Look at the image below and think about what you could use to recreate your own bumble bee. I would love to see some of your bumble bees on tapestry.

Well done for working hard this week, now it's time to spend some time with your family and watch our end of term movie about bees. If you cannot access the film enjoy an episode of Maya the Bee.

What can you remember about the role of a bee?

Please be aware this a PG film and won't be shown in school.
