One of the different things about moving to secondary school is the change in what you will wear. Use the school website to draw and label the school uniform you will wear onto the Lego figure

#### Getting to Secondary School

Getting to your secondary school safely is just as important as being there. In the box below, draw the route you are going to take to school (whether that's walking, cycling, driving or by bus). Identify spots where there could be hazards (e.g. busy roads) and explain how you will manage this safely!

# 9000 Timetable

At secondary school, you will probably have a timetable which looks a bit like this. You will need to move between different rooms and have different teachers for different subjects.

Period 1	0850 - 0950
Period 2	0950 - 1050
Break	1050 - 1110
Period 3	1110 - 1210
Period 4	1210 - 1310
Lunch	1310 - 1405
Registration/Assembly	1405 - 1425
Period 5	1425 - 1525

There will also be lots of different clubs and activities that you will be able to participate in. Have a look at your new school's website and list some of the things on offer.

What clubs are you looking forward to joining at your new school?
