How can you help at home?

- ❖ **Reading-** Please encourage your child to tell a story from the pictures within their reading book. This should be for no longer than 5 minutes each evening. After reading please record this in your child's planner. This could just be a well done and the page your child will be on next.
Covid-19 changes- two books will go home with your child each Friday and should not be returned to school until the following Friday.
- ❖ **Phonics-** A phonics task will be given once a week linking to the sounds/words we are focusing on in class. You will also receive a pack to place your child's flashcards in as they receive a new set each week. Phonics homework and the flashcard pack will be given out every Friday and should be returned a week later.
- ❖ **Homework book-** Your child will be provided with a "Homework Book". This half term, there will be a grid of tasks linking to the topic "Home Sweet Home" covering a range of curricular areas. Each week, your child should try to do one task from the grid and return it to school by the following Wednesday to be marked.
- ❖ **Numbots-** Please encourage your child to go on Numbots and enjoy learning all about numbers. The children in EYFS will receive a password and this will be found in your child's planner.
