Message from Mr Buttery

Curriculum

At Elvington Church of England Primary School, we believe in a broad and balanced curriculum where all subjects are valued. The aforementioned broad and balanced curriculum will equip our children with a breadth of knowledge and skills in all areas of the curriculum.

Our exciting and inspirational curriculum was launched last week, and will provide the children with lots of opportunities to develop new skills and interests.

Please visit www.elvingtonprimary.org.uk/school-information/curriculum-information, for an overview of our curriculum information.

Homework

Please look out for the new homework grids which will be in your child's book bag and on the website.

I am hoping as well as making homework more enjoyable, the grid of challenges will also make you more aware of what your child is learning about in school. Do not feel that you have to do all of the activities on the grid - we hope there is sufficient choice for you to sit down with your child and select something that you will both enjoy.

Later this term we will be seeking your feedback on how you think the new homework sheets are going.

Running Track

Unfortunately the planned works on our artificial grass (all-weather) running circuit, have been delayed until October half term. This is as result of access issues which could not be resolved within the normal operation of the school.

School Extra-Curricular Activities

Please remember there will be no extra-curricular activities during the Autumn Term. This is in order to avoid pupils mixing beyond their bubble group. As we undertake further risk assessment exercises, during the course of the first half of the term, we will keep you updated as to when clubs can safely resume.

COVID-19 – Information for Parents & Carers

Please familiarise yourself with the information attached to this email. The guide should help you to decide whether your child should/should not be in school and your next steps.

Yours sincerely,

Mr. Andrew Buttery

"I have come in order that you may have life – life in all its fullness." John 10:10

Thank you from Mrs Ingle

I would like to thank staff, parents and especially the children of Class 4 for a very warm and wonderful welcome. The children soon helped me to settle in and it has been a pleasure getting to know them over the last two weeks. Keep up the good work Class 4!

Mrs Ingle

Sponsored Read

Many thanks to all of you that took part in the sponsored read. Despite the fact that this event was in March when both home and school life was dramatically disrupted, a healthy total of £262.50 was raised. Usborne books will add another 30% which will entitle the school to £341.25 to spend on new books. Fantastic work!

Website

<http://www.elvingtonprimary.org.uk/>

Please be aware of our extensive website which can answer most questions you may have. All school correspondence can be found there, Covid-19 advice and updates, menus, policies and term dates.

Golden Book Awards

Each child will receive an E-Certificate via Parent/ Carer email address
