"I have come in order that you may have life - life in all its fullness"
John 10:10

We are very proud to be able to share with you our end of key stage data for the academic year 2020-21. Our children have achieved wonderful results throughout school.

In recent years, Governmental changes have resulted in heightened expectations throughout all primary schools. Elvington's staff team have worked incredibly hard to quickly adapt to such changes and to ensure we always uphold the highest of expectations. As a result of continual hard work and relentless improvement, our children have achieved exceptionally high standards (despite the challenges of the COVID-19 pandemic).

We are very proud that a high proportion of our children attain significantly above national comparisons, not only to attain the expected standard, but go beyond this to achieve greater depth. This represents many years of hard work and dedication from the beginning of Early Years to Year 6.

Huge thanks to the children, parents and staff on an incredible set of results.

Yours sincerely,
