

MESSY DERWENT PROJECT

M E S S Y , S W E A T Y , S C I E N C E & W O R S H I P

From January 2022... The Messy Derwent Project!

In January, the church in the Derwent Ings Benefice is starting the 'Messy Derwent Project'! It involves fun activities, for children and their families. Each session will be jam packed with exciting tasks, followed by a simple meal. Below is the timetable of events for each village (venues may change if covid restrictions do not allow us to use the schools).

Why not put the dates in your diary?

We need people to help run the activities and cook the meal. Would **you** like to be involved? To find out more, email: emmamawer.multiplyleader@gmail.com
