

Welcome to Class 3 Bats!

I hope that you all ready to come back to school for the end of the spring term. I am really looking forward to seeing you all again! Our topic this half term is Exploring Eastern Europe. In light of the current difficult situation facing Ukraine, we will be approaching this topic in a sensitive manner. The children will be learning geographical facts and finding out about Eastern European culture. This will follow on from a discussion in our first school collective worship.
