

Spring 2- KS1- Homework Grid

Weekly Activities: Reading daily, phonics homework and spellings, number bonds, one piece from the grid

Record your homework grid piece in this book. Feel free to be creative! Use colours, IT or photographs to present your work.

Maths Activities-

Set up a shop in your living room and pretend to be a shop keeper/customer. Practise finding the correct coins to pay with (no credit/debit card payments allowed!)

Challenge: Can you work out how much change you need if you pay with a £1 coin? (super-challenge: change from £5 or £10!)

Complete after 25th March

Real-life Superheroes

Find out about a person who you think has 'superpowers' and has used them to do good things. (In school, we are learning about Grace Darling, Florence Nightingale and Edith Cavell so it would be good to choose someone different).

Write sentences or create

some about them a fact file

to show to the rest of the class.

Science

Take a 'Science Selfie' showing where you find Science at home.

Either print it out and bring it to school or you can e-mail a copy to the school office for us to print out.

MyMaths activities

These will be posted on MyMaths on 4th March **to be completed by 11th March** and 25th March **to be completed by 1st April.**

Family Activity

Watch a film involving superheroes.

Writing Instructions

Choose an activity (eg 'getting ready for bed' or 'making a sandwich'. Write a set of instructions that clearly show how to do the chosen activity.

Remember to add some features of instructional writing (title, subheadings, numbered points, bullet points and imperative (bossy) verbs.)

Please hand in on 25th March

Have fun with sticks.

There are so many things to do with sticks so use your imagination and have fun. Will you use your stick as a wand? Will you create a trail of sticks, build a den or do something different?

I'd love to see a photo.

(Taken from *50 things to do before you're 11* $\frac{3}{4}$ National Trust).

Get Creative

Make a junk model superhero.

Religious Education

Go on an Easter Egg Hunt. You could go on an organised hunt, or you could do your own at home. The eggs don't need to be chocolate, cut out paper ones would be good too.

Challenge: Write a sentence/some sentences about why we give and receive eggs at Eastertime.
