## Mr. Buttery's Update

### Easter Information

Our Easter Service will take place on Wednesday 6<sup>th</sup> April at 9:45am, at Elvington Holy Trinity Church. Following a gradual reduction in confirmed cases of COVID-19, I am pleased to be able to invite parents/carers to our Easter Service. However, if confirmed cases start to increase, unfortunately it could be necessary for this to be a school only event.

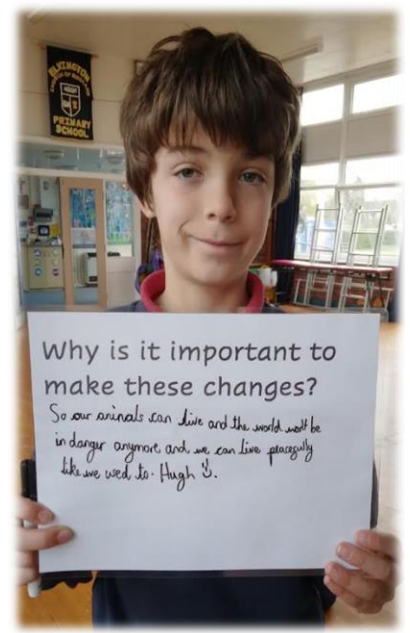

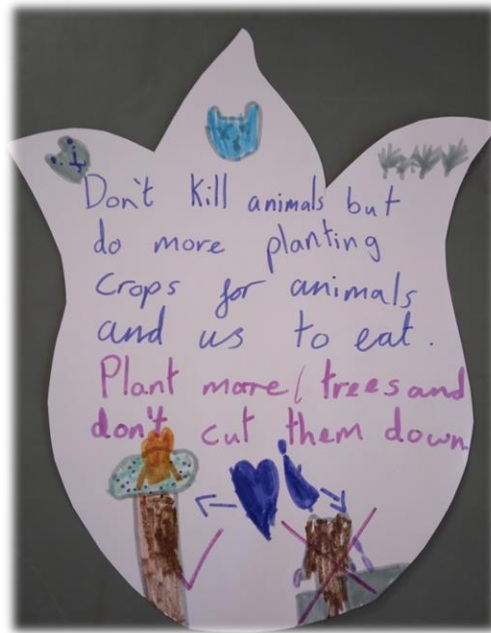

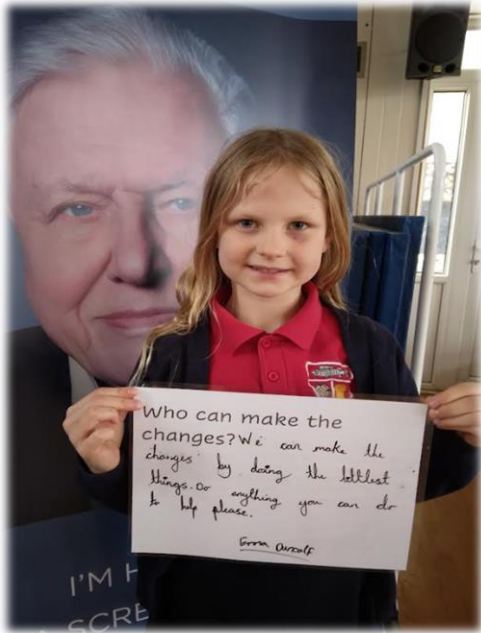

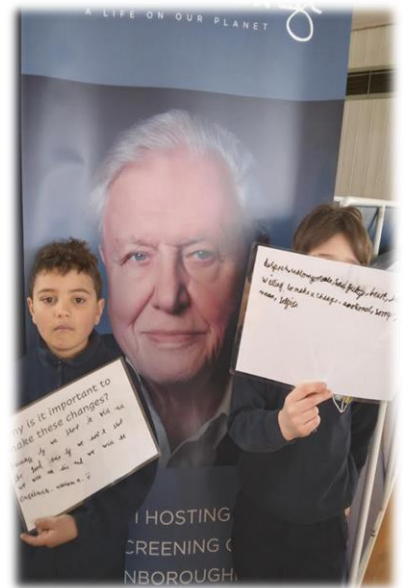

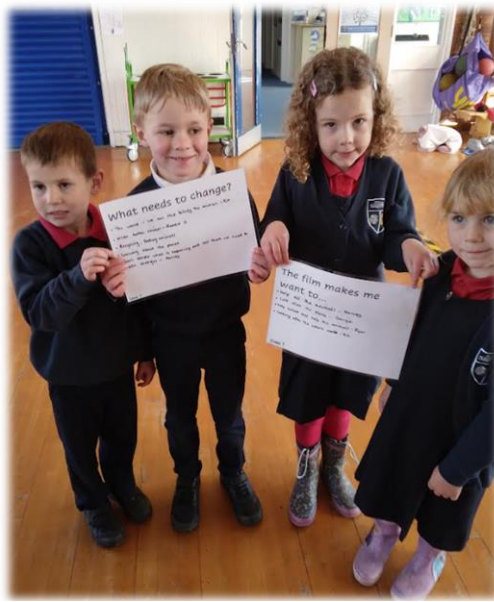

There will be an Easter egg decorating competition in school on Thursday 7<sup>th</sup> April. Children will be provided with a polystyrene egg (as egg based allergies would not allow hard boiled eggs to be used). The children need to come up with an egg-cellent idea (sorry I couldn't resist) and bring all the materials they will need to decorate their egg into school – basic materials such as paint, paper etc. will be available in school. **In the interest of fairness, nothing should be prepared please.**

There will be a variety of other activities taking place over the course of the day. If you have any queries, please ask your child's class teacher.

### A Lifetime on Our Planet - Barn Launch

Despite the weather not reading the script, the children had a wonderful time at our PTA organised Barn Launch. A huge amount of effort went into creating the varied environmental learning opportunities the children enjoyed – on behalf of everyone, I would like to pass on my thanks to the PTA

The National Three Peaks Challenge involves climbing the three highest peaks of Scotland, England and Wales. The total walking distance is 23 miles (37km), with a total ascent of 3064 metres (10,052ft).

Your support will be greatly appreciated when I attempt the National Three Peaks challenge between Thursday 2<sup>nd</sup> and Friday 3<sup>rd</sup> June 2022.

If you would like to further support the **PTA** and the **DEC Ukraine Humanitarian Appeal**, please consider making a donation here:

Any money raised will be split equally between the aforementioned charities.

Yours sincerely,

Mr. Andrew Buttery

Recycling a single glass bottle will save enough energy to power a laptop for half an hour.

Recycling a single plastic bottle will save enough energy to power a lightbulb for three hours or more.

Recycling five plastic bottles creates enough insulating fibre to fill a ski jacket.

**Please help by reducing the amount of single use plastic/cling film/plastic bags in your child's packed lunch.**

## Brownlee Trust Triathlon

KS2 children have the opportunity to take part in the Brownlee Trust Triathlon at York Sport, May 18th 9 am-12 pm. This exciting event will involve a bike, swim and run. This will be a parent accompanied event, with an expectation that the parent assumes responsibility for transporting & supervising their child. More details to follow in due course.

At Elvington Church of England Primary School, we have our own news team, 'The Roving Reporters.' The team is made up of children from School Council. The Roving Reporter's articles will be included in our weekly newsletter.

**Class 1** looked at the work of Kandinsky and were inspired by his work.

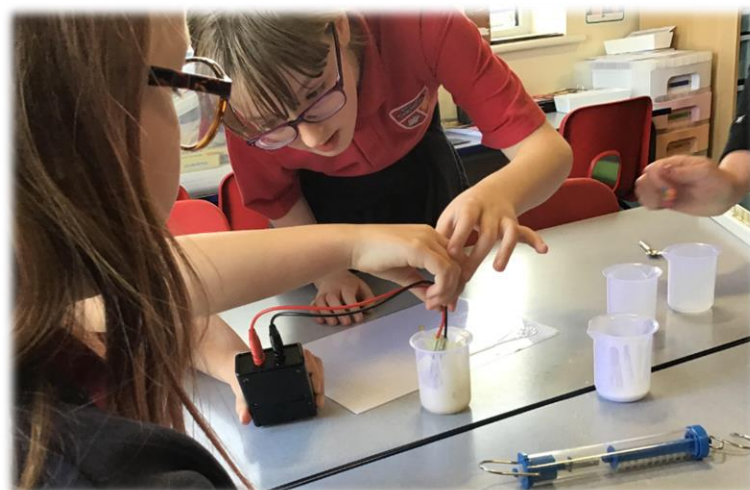

**Class 3** have been learning the ukulele and the recorder as part of their music this half term.

**Class 2** talked about real life super heroes. They made Red Cross medals like the ones Queen Victoria presented to Florence

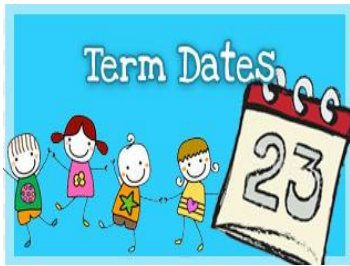

**Class 4** have had some visitors from Network Rail in Science week. They tested solid and liquid mixtures.

**Class 5** enjoyed Science Week and took part in many workshops.

## Safeguarding Concerns

Please remember that if you have any concerns about a child's welfare, do not hesitate to get in contact by emailing [head@elvingtonprimary.org.uk](mailto:head@elvingtonprimary.org.uk). I am Elvington's Designated Safeguarding Lead, with Mrs. Granger fulfilling the role of Deputy Designated Safeguarding Lead – additional school specific information can be found at: [www.elvingtonprimary.org.uk/school-information/whos-who/safeguarding-team](http://www.elvingtonprimary.org.uk/school-information/whos-who/safeguarding-team).

If you have a concern that a child is vulnerable or at risk of significant harm, please contact the Multi-Agency Safeguarding Hub (MASH) in York on 01904 551900 and select option 3 or email [MASH@york.gov.uk](mailto:MASH@york.gov.uk). Outside office hours, at weekends and on public holidays contact the emergency duty team on 01609 780780. You can also visit [www.saferchildrenyork.org.uk](http://www.saferchildrenyork.org.uk), for more information.

Please also be aware that as a school we subscribe to Operation Encompass. One of the principles of Operation Encompass is that all incidents of domestic abuse are shared with schools, not just those where an offence can be identified. Additional information can be found at: [www.operationencompass.org/school-participation](http://www.operationencompass.org/school-participation)

Friday 27th May 2022  
Friday 22nd July 2022 Additional  
Bank Holiday (Platinum Jubilee of  
the reign of Queen Elizabeth II)  
Monday 25th July 2022

### Additional Bank Holiday

You will be aware that this year sees the Platinum Jubilee of the reign of Queen Elizabeth II. The Government announced it was adding a bank holiday in celebration of this event and placed it within our Summer Half Term. This means June 2<sup>nd</sup> and 3<sup>rd</sup> (Thursday and Friday) are designated bank holidays. However, unlike other bank holidays that are fixed, because this one has been added, the Government has stated that schools can set that bank holiday for a different time of year within term time.

The aforementioned additional bank holiday is designated to individual schools to set; we wished to cause as little disruption to the children's education as possible (considering the disruption that has already occurred over the past two years). To that end we have decided to place our day on **Friday 22<sup>nd</sup> July 2022**. That date was scheduled to be the last Friday of the academic year. This means our last day in school, at the end of the summer term, will now be **Thursday 21<sup>st</sup> July 2022**. Our term dates on the website will be adjusted to take account of this, however, I wanted to let you know at the first available opportunity.

**New dates appear in red**

Wednesday 18<sup>th</sup> May – Brownlee Triathlon

### COVID-19

As of Thursday 24<sup>th</sup> February 2022, the Government removed the legal requirement to self-isolate following a positive test. Adults and children who test positive will continue to be advised to stay at home and avoid contact with other people for at least five full days, and then continue to follow the guidance until they have received two negative test results on consecutive days or until the tenth day.

COVID Guidance Flowchart

Fully vaccinated close contacts and those aged under 18 will no longer be required to test daily for seven days, and the legal requirement for close contacts who are not fully vaccinated to self-isolate has been removed. Routine contact tracing has ended - contacts will no longer be required to self-isolate or advised to take daily tests.

I would like to remind you that school attendance is mandatory for all pupils of compulsory school age, and it is a priority to ensure that as many children as possible regularly attend school. Therefore, your child should be attending school unless they are not well enough to attend or they test positive for COVID-19. Please see the guidance table left.
