How can you help at home?

- ❖ **Reading-** Please continue to read with your child for at least 10 minutes every day and record this in their planners. Reading books will be provided once a week (on a Monday), and should be returned on a Friday. This will allow 48 hours before the books are passed onto another child.
- ❖ **Spellings-** Spelling homework will be given every Friday and should be practised through the week. They will then be tested a week later.
- ❖ **Times Table Rock Stars-** Please continue to encourage your child to go on weekly at home.
- ❖ **Homework-** Until SATs, there will be one, 'SAT-style' paper set as homework. Your child should try to complete this independently within the time stated. This can then be self-marked in an alternate colour and returned to school.
- ❖ **Alternative Arrangements -** Children in Class 5 may be allowed to walk home on an afternoon. Where this is the case, please ensure you let the school office know or pop a note in your child's planner.
- ❖ Last, but not least, please do come and chat with me if there is anything you would like to discuss this term.
- ❖ From Mrs Haffey and the Class 5 team!

Science- Earth and Space

Describing the movement of the Earth, and other planets, relative to the Sun in the solar system. Looking at the movement of the Moon relative to the Earth and using the idea of the Earth's rotation to explain day and night, and the apparent movement of the sun across the sky.
