In addition, your child should complete some of the following activities. We would love to see some of your completed activities so please share photos and videos by uploading to Tapestry or on our class twitter page. [@Class1Elves1](#)

<p>Story</p> <p>Listen to the story, 'Oi Duck Billed Platypus'</p>  <p>https://www.youtube.com/watch?v=IwFYHGYD9tw</p> <p>What was your favourite animal in the book? Do you have a toy animal and what would you call it? Now play a game of hide and seek the rhyme word. These can be simple CVC words that you write on pieces of paper and then find and match the rhyme. Log into Chrome if you would prefer to print some rhyming words. Please share your work on tapestry. (Due by Friday)</p>	<p>National Trust Activity</p>  <p>Activity No 39 Catch a Crab</p> <p>Crabs can look pretty crazy when they're scuttling sideways along the beach shore. If you want to catch one, you'll need to learn more about them.</p> <p>(Taken from 50 things to do before you're 11 ¾ National Trust)</p>	<p>Purple Mash</p> <p>Access Purple and locate Simple City. Click on the zoo and create an animal scene. Now write a simple sentence about your zoo scene.</p>  <p>Please share on tapestry. (Due by Friday)</p>
<p>Number Bonds</p> <p>Challenge yourself!</p> <p>Watch the video about number bonds. https://www.bbc.co.uk/bitesize/topics/zww39j6/article/s/zx3982p</p> <p>Now regularly play number bond games together up to 10. This may be in the car or when getting ready for bed. Example: 2 + ? = 5 What other ways can we make 5?</p> <p>Check your 2Dos on Purple Mash for a game of bond bubbles.</p> 	<p>Animal Patterns</p> <p>Can you guess the animals from their patterns? Log into Chrome and complete the powerpoint.</p>  <p>Questions: What was your favourite animal? Now select your own art medium to create your favourite animal.</p> <p>Please share on tapestry. (Due by Friday)</p>	<p>Family Fun</p> <p>DIY Musical Instrument</p> <p>Enjoy a family giggle. Play a game of guess the animal. You can use both movement and sound. Following, together make a musical instrument and think about sounds that are fast, loud, soft and quiet. What animal could they be? Below is an example of an instrument you could make together. Don't forget to get creative and decorate your instrument.</p> <p>https://www.youtube.com/watch?v=0NHM5JtacKU</p>
