

Welcome to Class 5 Owls!

I hope that you have had a lovely half term break and are now ready for our final term and hopefully some sunshine!

F	Registration	Maths			Literacy	Spelling and Punctuation		P.E	French
							ERIC		Golden Time
									Shoring Assembly

Who will be joining us?

Every morning, we will be joined by Mrs Bailey.

Every Tuesday afternoon, Mrs Marjoram will be teaching Class 5 and

Miss Kay will be teaching on a Friday afternoon.

What will you need?

*A labelled water bottle

*Indoor and outdoor labelled PE Kit for PE on a Thursday and Friday. PE kits should come into school on a Monday and return home on a Friday to be washed.

How can you help at home?

- ❖ **Reading-** Please continue to read with your child for at least 10 minutes every day and record this in their planners. Reading books will be provided once a week (on a Monday), and should be returned on a Friday. This will allow 48 hours before the books are passed onto another child.
- ❖ **Spellings-** Spelling homework will be given every Friday and should be practised through the week. They will then be tested a week later.
- ❖ **Play-** Please encourage and support your child with any lines they need to learn.
- ❖ **Homework-** This final half term, there will be a grid of tasks covering a range of curricular areas. Each week, your child should try to do one task from the grid and one maths activity and return it to school by the next Wednesday to be marked.
- ❖ **Alternative Arrangements -** Children in Class 5 may be allowed to walk home on an afternoon. Where this is the case, please ensure you let the school office know or pop a note in your child's planner.
- ❖ Last, but not least, please do come and chat with me if there is anything you would like to discuss this term.
- ❖ From Mrs Haffey and the Class 5 team!

Science- Electricity

We will compare and give reasons for variations for a range of electric parts such as buzzers, switches and bulbs when in a circuit. We will use recognised symbols when representing a simple circuit in a diagram and look at how simple circuits work.

Art & Design Technology:

We will be focussing on the natural world and printing our own scene.

Religious Education

Our key question is, "What would Jesus do?"

English

We will be developing our descriptive writing skills to write a newspaper report and a persuasive advert

KS2 Play

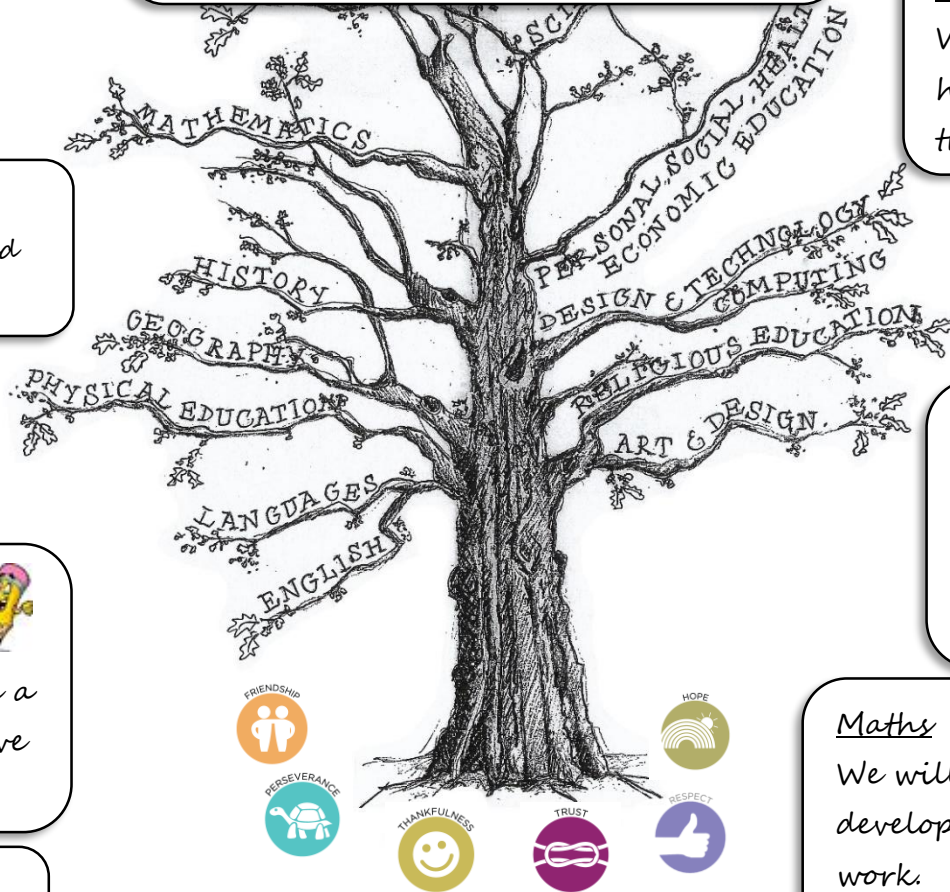

Learning our lines and songs from our play

Topic: Earth Matters

Geography: Earth Matters

We will be finding out about some key aspects of physical geography including climate zones, biomes and eco-systems.

Bookshelf

PSHE -Managing change

We will be focussing on changes that happen as we grow up including transition to secondary school

Design

Cam mechanisms and moving toys

French- Quel temps fait-il ?

(What's the weather like?)

To say what the weather is like. Name simple items of clothing. Recognise the date. Eau/au sounds

Maths

We will be looking at statistics and further developing our reasoning skills and group work.

Super Start-: Phunky Foods

Fabulous Finish-: KS2 play

P.E

Team games, sports week and sports day, bikeability.
